

An abstract graphic design featuring a complex arrangement of overlapping geometric shapes in red, black, and white. The shapes are primarily angular and elongated, creating a sense of dynamic movement and depth. The red shapes are the most prominent, often forming the outer boundaries of the composition. Black shapes are interspersed throughout, adding contrast and complexity. White shapes are used to define the negative space and provide a clean, minimalist feel. The overall effect is a high-contrast, energetic visual field.

TOMAHAWK DEDICATION

Because of all you mean to us individually and as a class, we wish to dedicate the 1965 Tomahawk to you, Mr. Breitenberger.

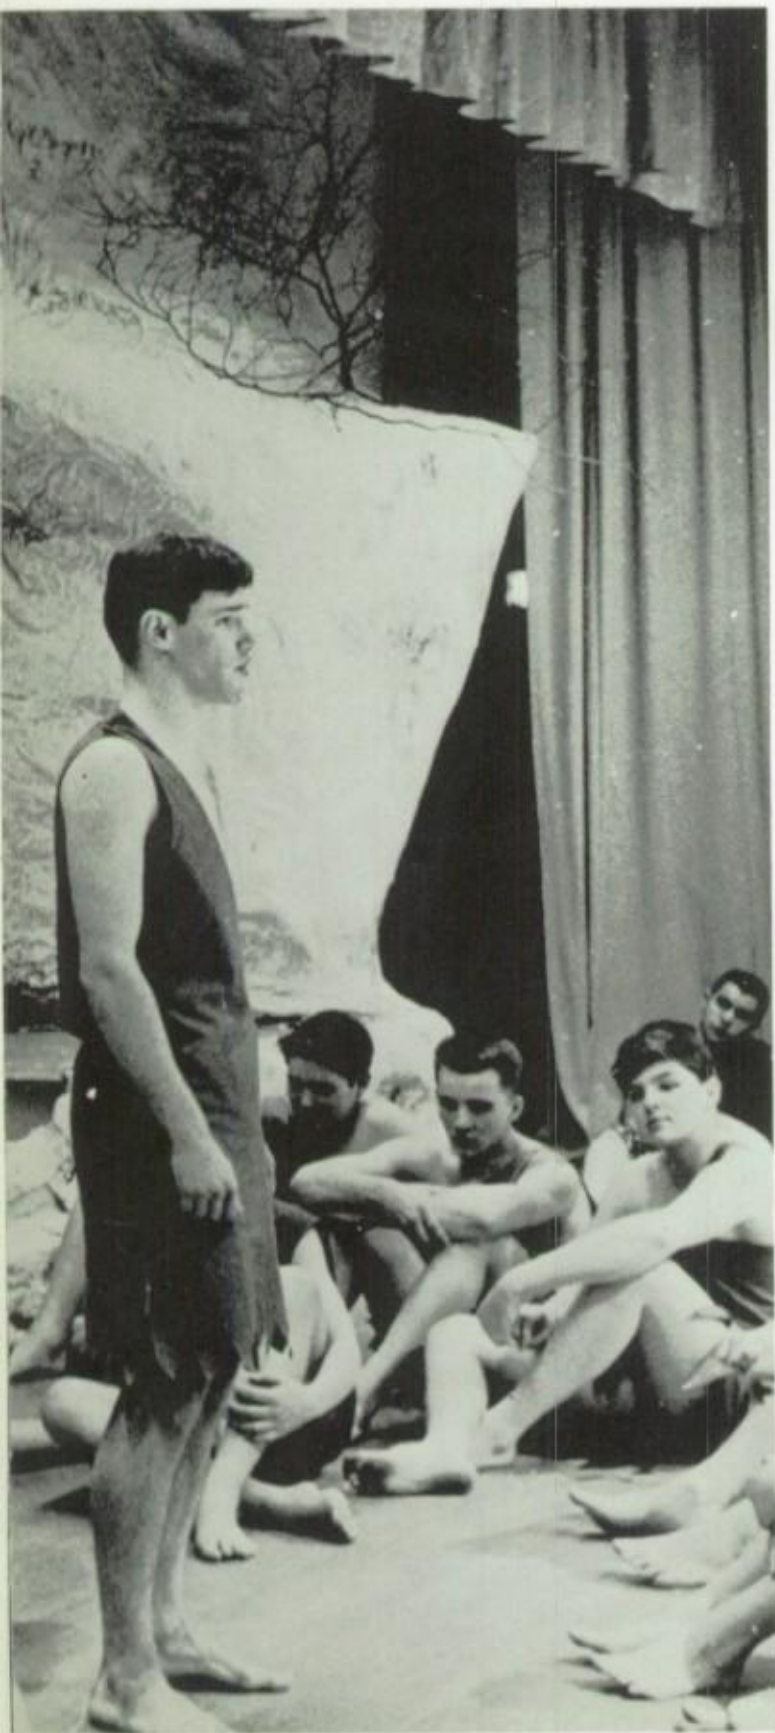

We respect you because of your ability to understand, communicate and reason with us and because of your logical mind. But mostly we admire you because you're a cool guy.

SPRING

KA-BOOM 2000

The auditorium was packed that May evening last spring, and an expectant audience, semi-silenced in anticipation, sat waiting for the show to begin.

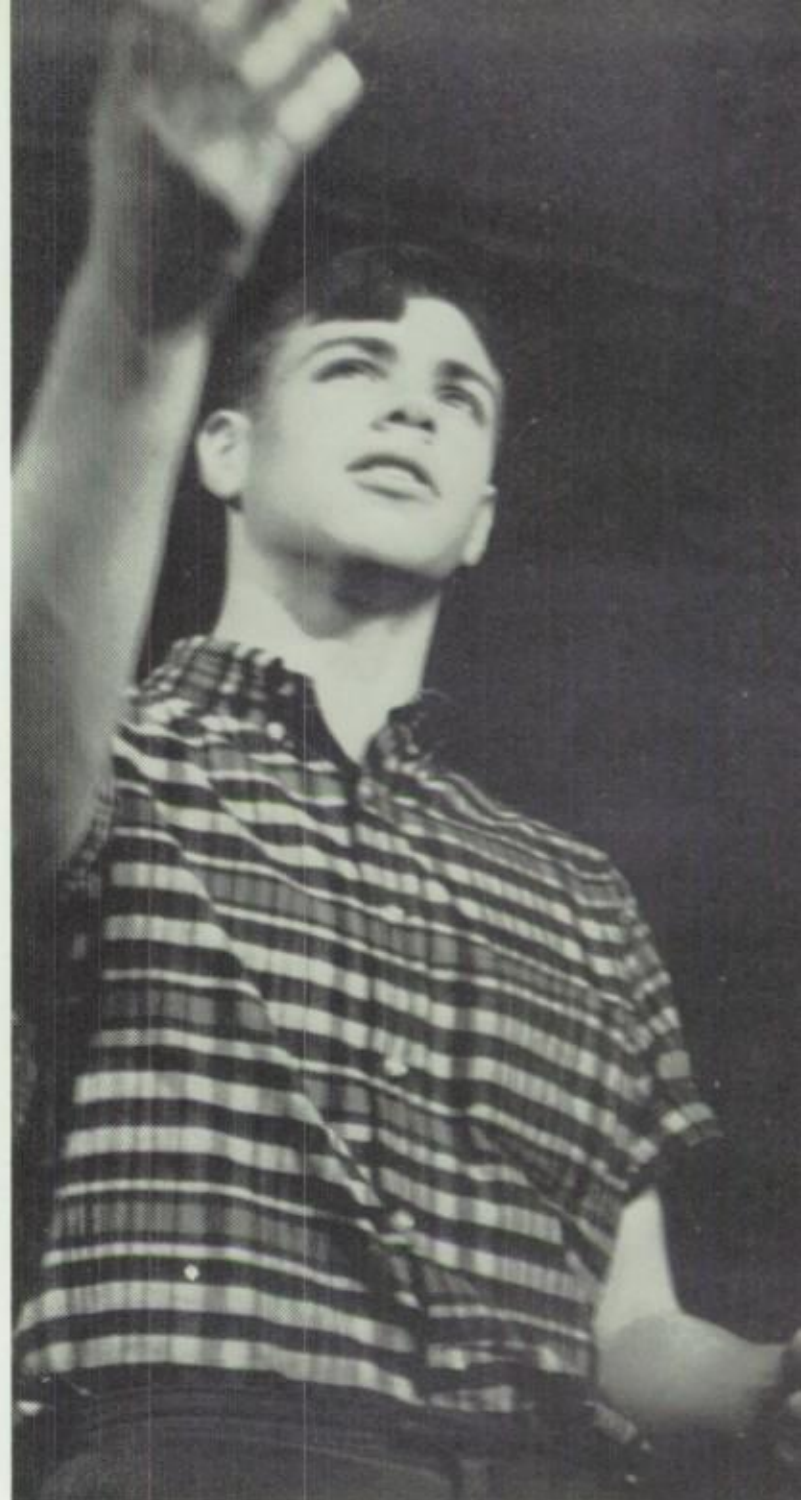

The lights dimmed, once, twice, and once again. The silence deepened into a hush, and—Ka-Boom! The sound of the bass drum flew vibrating throughout the room, Ka-Boom, Ka-Boom, Ka-Boom—the vibrations built up into pulsating action and KaBoom, the overture had begun and the musical was underway.

Men and women of the supposedly distant future danced, sang and acted through situations strongly resembling those of the present day. The battle of the sexes was in full swing—there were teasing, challenging songs between future-men and future-women, and laughing vibrant routines by the Vicki Williams Dancers. There was love, and softer, sweeter songs. And there were problems—there were other future tribes, there was the question of defense, there was the struggle for peaceful co-existence. Through the gaiety, the flashing colors, crept the theme of Ka-Boom 2000, the beliefs that the social responsibilities of a free society must be met.

The original work of Earl Proper, the product of over a year of rehearsals, Ka-Boom 2000, was a complete success. It was more than the musical harmony so much in evidence, it was the harmony which comes from people working together.

With a spontaneous shower of exuberance and a burgeoning burst of applause, the Little Theater audience delighted in the blossoming of crushed petunias and suppressed desires.

Mable—Miriam Villchur

Last spring at O.C.S. a dream came true. The dream belonged to Miss Joan Silbertstein and the members of the Writers' Workshop which she created, and its truth was the volume of poetry entitled *Lollipops and Tears*.

Written by Maya Anderson, Bambi Van Cort and Carolyn Rose, this book was unique. It was the first volume of its kind ever published by a high school in the United States. But it gave us more than the prestige of having a "national first," it demonstrated that creativity has a place at O.C.S., and set an important precedent for the fulfillment of this creativity.

In the spring of 1964, the students of the Harrison Muller "Academy of Dance" performed at the Onteora Central School. Participating in this festival of dance were students who were of O.C.S. as well as of the academy.

Mr. Muller's explanations of the history of the various dances were accompanied by demonstrations of the basics of each type of dance. The program was enjoyable as well as educational.

FRONT ROW: Billy Yeaple, Batboy; Ponice Rose, John Phelan, Linden Frasier, Gary Holgate, Ernie Weiss. SECOND ROW: Hugh Spoljaric, Fritz Martin, Jeff Cange, John Mower, Charlie Holt, Coach Jordan. THIRD ROW: Mickey Gallagher, Don Pecko, Alex Sharpe, George Loveless, Wes Kissel, Ed Frankle. MISSING: Paul Goins, Terry Breitenstein.

The 1964 Onteora team was much more respectable than several of the more recent editions, winning five of the fourteen games played, and engaging in some very well played and exciting contests. With an excellent defense, the boys were able to turn in many sparkling plays. They became adept at bunting, the hit and run, and base stealing. They established an exciting brand of baseball which should prevail in the future.

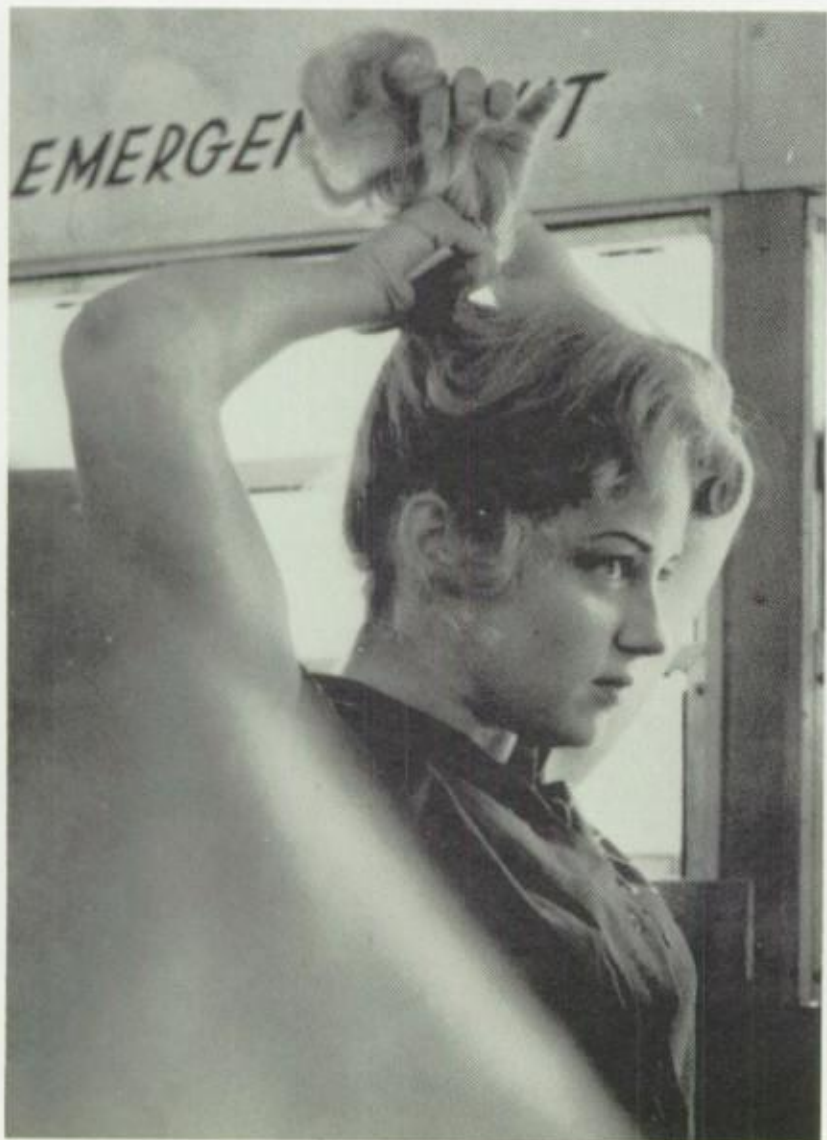

GIRLS' SPRING SPORTS

The girls' softball and track and field teams of 1964 proved that the teams with little recognition at home can make a name for themselves. These teams caused O.C.S. to take pride in its all-girl teams as well as its all-boy teams.

The J.V. and varsity softball teams captured the Top-spot in the U.C.A.L. The J.V. team backed their pitcher Sue Rubin as the varsity backed Pam Tiso and both teams played and won six games.

The track and field team also won honors for the school by taking first place at the U.C.A.L. playday. The girls were able to capture second place every time and found that first place belonged to them in three events.

Together these teams and their coaches won the admiration of O.C.S.

Last spring the members of the O.C.S. track team again racked up an impressive record of wins. The thin-clads won 9 of their 10 meets, and finished second in the UCAL Championship Meet. New school records were set as follows:

220 yd. dash	22.8	Erik Stoutenburgh
880 yd. run	2:09.9	Fred Kaseman
Mile run	4:45	Barry Hopkins
High jump	5' 10"	Art Hawkins
880 relay	1:37.5	Gary Murphy
		Erik Stoutenburgh
		Carlos Harewood
		Art Hawkins
Freshman		
440 relay	49.8	Augie Baptiste
		Bob Mulligan
		Pete Glass
		Dave Schneider
Triple jump	41' 5"	Art Hawkins

FALL

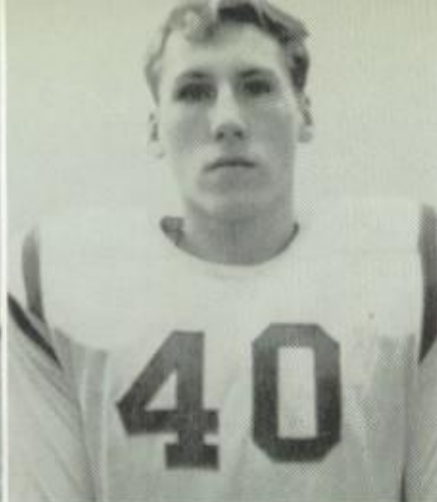

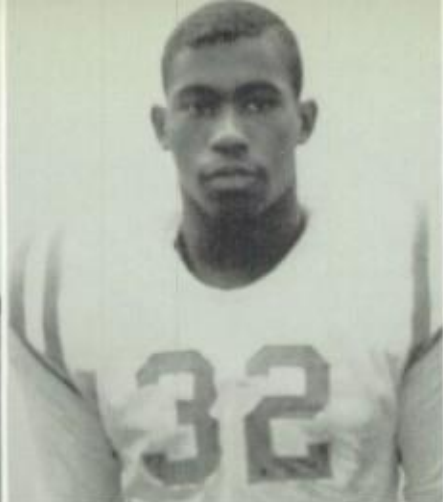

FIRST ROW, L-R: Francis Turk, Bruce Umhay, Dave Van Curen, Bob Van Curen, Steve Thayer, Teddy Weber, Rod Daughtrey, Bruce Stoutenburg. SECOND ROW: Coach Karas, Ron Lyon, Mike Hereth, Jimmy Carr, Wayne Rice, Jimmy Marcato. THIRD ROW: John Howland, Peter Glass, Bart Guglielmetti, Rodger Jones, Gary Houseman, John Adsit. LAST ROW: Tom Byer, Freddie Middleton, Charlie Fredricks, Artie Kahil, Billy Carr.

Although the junior varsity football team didn't do as well as its big brother squad, its performance was impressive. The boys fought hard to win every game, but lost with the grace of true sportsmen. The team won three of its seven games, but always turned in a good showing and enabled boys who will grow into varsity to gain the necessary experience.

9 INDIANS EARN ALL-UCAL TEAM POSITIONS

This was a season to be remembered and admiration is due coaches Paul Jordan and Wes Kissell for the masterful way in which they were able to unify this squad of 28 boys into a cohesive and effective playing unit that established a most impressive record. The Indians won 8 games without a defeat and in so doing won the UCAL championship. Only 2 teams, Wallkill and Liberty, were able to cross their goal line. They scored a total of 224 points while holding the opposition to a mere 26.

It all began back on September 19th when the Indians played host to Red Hook. The game was completely one-sided as the Indians rolled to a 33-0 victory. Gary Murphy and Carlos Harewood each scored two touchdowns and Chuck Howland one, as the Indians put on a display of speed and power that the Hookers won't forget for a long time.

Looking back to that Saturday in September it must be remembered how hopes for a successful season were kindled and obvious questions were raised. How good is this team? How far will they go? Freeman Sports editor, Charlie Tiano, opened his write-up of the Red Hook game with following prophetic lead paragraph: "One robin makes not a spring, nor one victory a football season. But Onteora Central's impressive 33-0 victory over Red Hook Central, Saturday, furnished solid evidence that the Indians have the equipment to make them a solid UCAL contender for the first time in many years."

The second game of the season against Malboro opened U.C.A.L. play for the Indians. In this game, which Onteora won 26-0, they served notice that, in addition to a devastating attack, they had a defensive unit that would be tough to crack. Malboro was held to an unbelievably low net gain of 26 yards rushing and never penetrated Onteora territory beyond the 20 yard line. Gary Murphy again scored twice while Carlos Harewood and quarterback Hugh Spoljaric each tallied one.

In their next outing, the Indians scalped the Huguenots from New Paltz 27-0. Once again the redoubtable defense, led by Mike Gallagher, Gary Beesmer, Mark Hoyt, Gary Port, Wes Kissel, Chuck Howland, Dan Daughtrey and Fred Pettinato held the position to an amazingly low net rush gain of 46 yards. Constant red-dogging harried the New Paltz backs all afternoon, while Onteora's Touchdown Triplets had another field day as Murphy scored two touchdowns and John Phelan and Harewood each added one.

The Onteora juggernaut continued to roll as they journeyed to Highland and added the fourth scalp to their skein by virtue of a 33-0 victory. The Indians ran a total of 39 plays from scrimmage and were never thrown once for a loss. Murphy scored three touchdowns bringing his total for the season to nine, and John Phelan scored twice. The defensive unit really caused a stir in football circles after this game as they were once again practically impenetrable, holding Highland to a net rushing gain of 44 yards. And, remember, Highland was the team that held Liberty to a 20-20 tie a few games later.

By this time the Mid-Hudson Valley was buzzing about Onteora's impressive string of four straight shut-outs. They put this record on the line against Rondout Valley on October 16 and the Ganders became victim number five as Onteora's Touchdown Triplets racked up 26 points to the Ganders zero. Only able to produce a net rushing attack of 78 yards, Rondout did, however, throw a scare into the hearts of the Onteora fans as they marched from their own 37 yard line to the Indian 10 at the start of the third quarter. At this point, with a first and goal situation, it looked as though the Indian's end zone would be penetrated for the first time. On the first play, end Wes Kissel who played a bang-up game, broke through the line and smeared the Rondout ball carrier for a ten yard loss. On the next play, Chuck Howland, red-dogging, burst into the Rondout backfield and threw the Gander's runner for a nine yard loss. The Gander's threat was stopped cold on the next play when Wes Kissel intercepted a pass.

Going into the Wallkill game the Indians were locked in a tie for top spot in the U.C.A.L. with Liberty. Both Liberty and Pine Bush were knocking off all foes and the Bushmen in particular, had looked impressive. However, the night before the Onteora-Wallkill game, Liberty trounced Pine Bush 21-0, with relative ease under the lights at Liberty.

As all good things must come to an end, so did Onteora's string of five shut-outs. (Six, counting the last game of the previous season.) The fact that they scored against the Indians was the only source of satisfaction for Wallkill as they were all but buried by the Indian's devastating first half attack which netted 27 points. The Indians, using their reserves during a good portion of the second half added one more touchdown while Wallkill scored twice, making the final score 33-13. The Touchdown Triplets continued to demonstrate their awesome power as Murphy and Phelan each scored twice and Harewood once in the romp over Wallkill.

The following Saturday was Halloween. Pine Bush came to Boiceville but much to their dismay, found that their hosts were not passing out treats, but, instead, had a bag full of tricks ready for them. This was a big, tough and aggressive Pine Bush team that was fighting for its life. Although they had been beaten by Liberty the week before they knew that they could wind up in a three-way tie for first place by defeating Onteora and hoping that the Indians would defeat Liberty in the last game of the season.

The stage was set, then, for a real showdown. And a donnybrook it was. The Indians won it 26-0, but only after a fierce battle. The Touchdown Triplets thrilled the huge crowd with some fakery, the likes of which haven't been seen in these parts for some time. Harewood received the second half kick-off on the 10-yard line. He ran to his left and handed off to Phelan who cut behind him. Phelan continued to his right and faked a hand-off to Murphy. Both Harewood and Murphy, going to the left, drew tacklers their way. Phelan held the ball on his hip and slowed down to little more than a walk. Suddenly, he turned on the speed and raced 85 yards down the right sideline, untouched, for the TD.

On this same Halloween Saturday, goblins ran rampant at Highland as the host held visiting Liberty to a 20-20 tie in the biggest upset of the season. By virtue of this tie Liberty dropped to second place in the U.C.A.L., leaving Onteora undisputed owners of the top spot. The show-down game at Liberty would decide the championship. Liberty had to win. A tie would do them no good as Onteora would nose them out by one-half game.

Nearly 1,000 Onteora fans were on hand at Liberty, swelling the crowds to over 2,000. Perfect football weather prevailed as the day was crisp and clear. It was a fitting championship game as both teams played hard-nosed football and the outcome was in doubt to the very end.

Onteora kicked-off and Wes Kissel recovered a Liberty fumble on the second play of the game. The Indians took over on the Liberty 43. The first play lost a yard. On the next play, Spoljaric pitched out to Murphy on the left side and the Indian speedster raced into the end zone for the TD. The try for the extra point failed.

Liberty returned the kick-off to their own 22-yard line. From here they launched a drive that covered the 78 yards and ended in a touchdown. The PAT was good and Liberty led 7-6, putting Onteora behind for the first time this season. Liberty dominated the play during the second quarter and the half ended with the score still 7-6.

Liberty scored again in the third period after grinding out 82 hard-earned yards. They missed the PAT but increased their lead to 13-6.

Onteora returned the kick-off to the Liberty 46 as the third quarter ended. Suddenly the Indians attack came alive. It took them just 8 plays to reach pay dirt with Phelan carrying on 6 of the plays. Harewood climaxed the drive by scoring from the third yard line. Murphy carried over for the crucial PAT that tied the game at 13-13.

Phelan kicked-off and stole the ball from the Liberty back. He carried 6 times for 24 yards on the next drive which ended with an incomplete pass on the Liberty 18. Liberty couldn't move the ball in three plays and were forced to punt. Harewood returned the ball to the Liberty 44. Harewood bulled through the line for 9 yards on the first play. With just less than two minutes to play, Phelan burst through the right side of the Liberty line and behind some jarring downfield blocking, raced for 35 yards and the winning touchdown. Murphy scored the PAT and Onteora regained the lead 20-31, for the first time since the first two minutes of the game. Following the kickoff Liberty tried 4 passes, all incomplete, as the Indian defense stopped them cold.

As the officials signaled the end of the game the Onteora fans stormed the field and mobbed their newly crowned champions.

In staging this spectacular come-from-behind victory in which they came roaring back with 2 touchdowns in the fourth quarter, the Indians added a perfect climax to a great season.

Left to right: Carol Greenberg, Ellen Joyce, Robin Bouton, Pat Sullivan, Ann Prochaska, Steffie France, Carol Barringer. KNEELING: Dorothy Bundy, Captain of the Color Guard.

Not everyone was worried at Liberty!

The fall sports season held much in store for all its enthusiastic participants. Field hockey, soccer, and speed-a-way intramurals were held with inter-school matches in each. The upcoming and improving hockey team lost to New Platz and defeated Rondout. The soccer-speed-a-way teams combined for an undefeated season with a formidable win over Rhinebeck. The 7th and 8th grade teams showed excellent promise for the future registering wins over Hyde Park.

Anyone can "run" the $2\frac{1}{2}$ miles necessary to complete a cross-country race. But a successful runner must run to the limit of his physical endurance; he must be completely exhausted at the end of a race; he must use up his energy and strength over a 12-to-15-minute period; but he still must have "something left" to hold off or catch a rival in the last few yards. This "something left" is mental—the willingness of a boy to do a little more even though his body does not seem capable.

During the season the team defeated New Paltz 22 to 33, Highland 19-47, Rondout Valley 25-34, and Cardinal Farley 25-30, and were defeated by Wallkill 21 to 34. Barry Hopkins, who has been one of the finest runners in the Hudson Valley for four years, started the season in excellent style, winning against the Kingston B team and Cardinal Farley and winning the Cobleskill Invitational Meet for the second consecutive year.

This was a year of new talent added to returning veterans such as Gary Holgate, Ron Comerford, and Fred Wagner. First-year men Craig Hubbell, John Carey, Russ Carlsen, Jon Powers, Bob Eisiminger, Art Kelder, Tom Guadagnola, Lou Ganci, and Poncie Rose did very commendable jobs in this exhausting and demanding sport of long distance running. The seniors—Hopkins, Holgate, Carey, and Rose—will be sorely missed; the boys returning next year will have a big job to do.

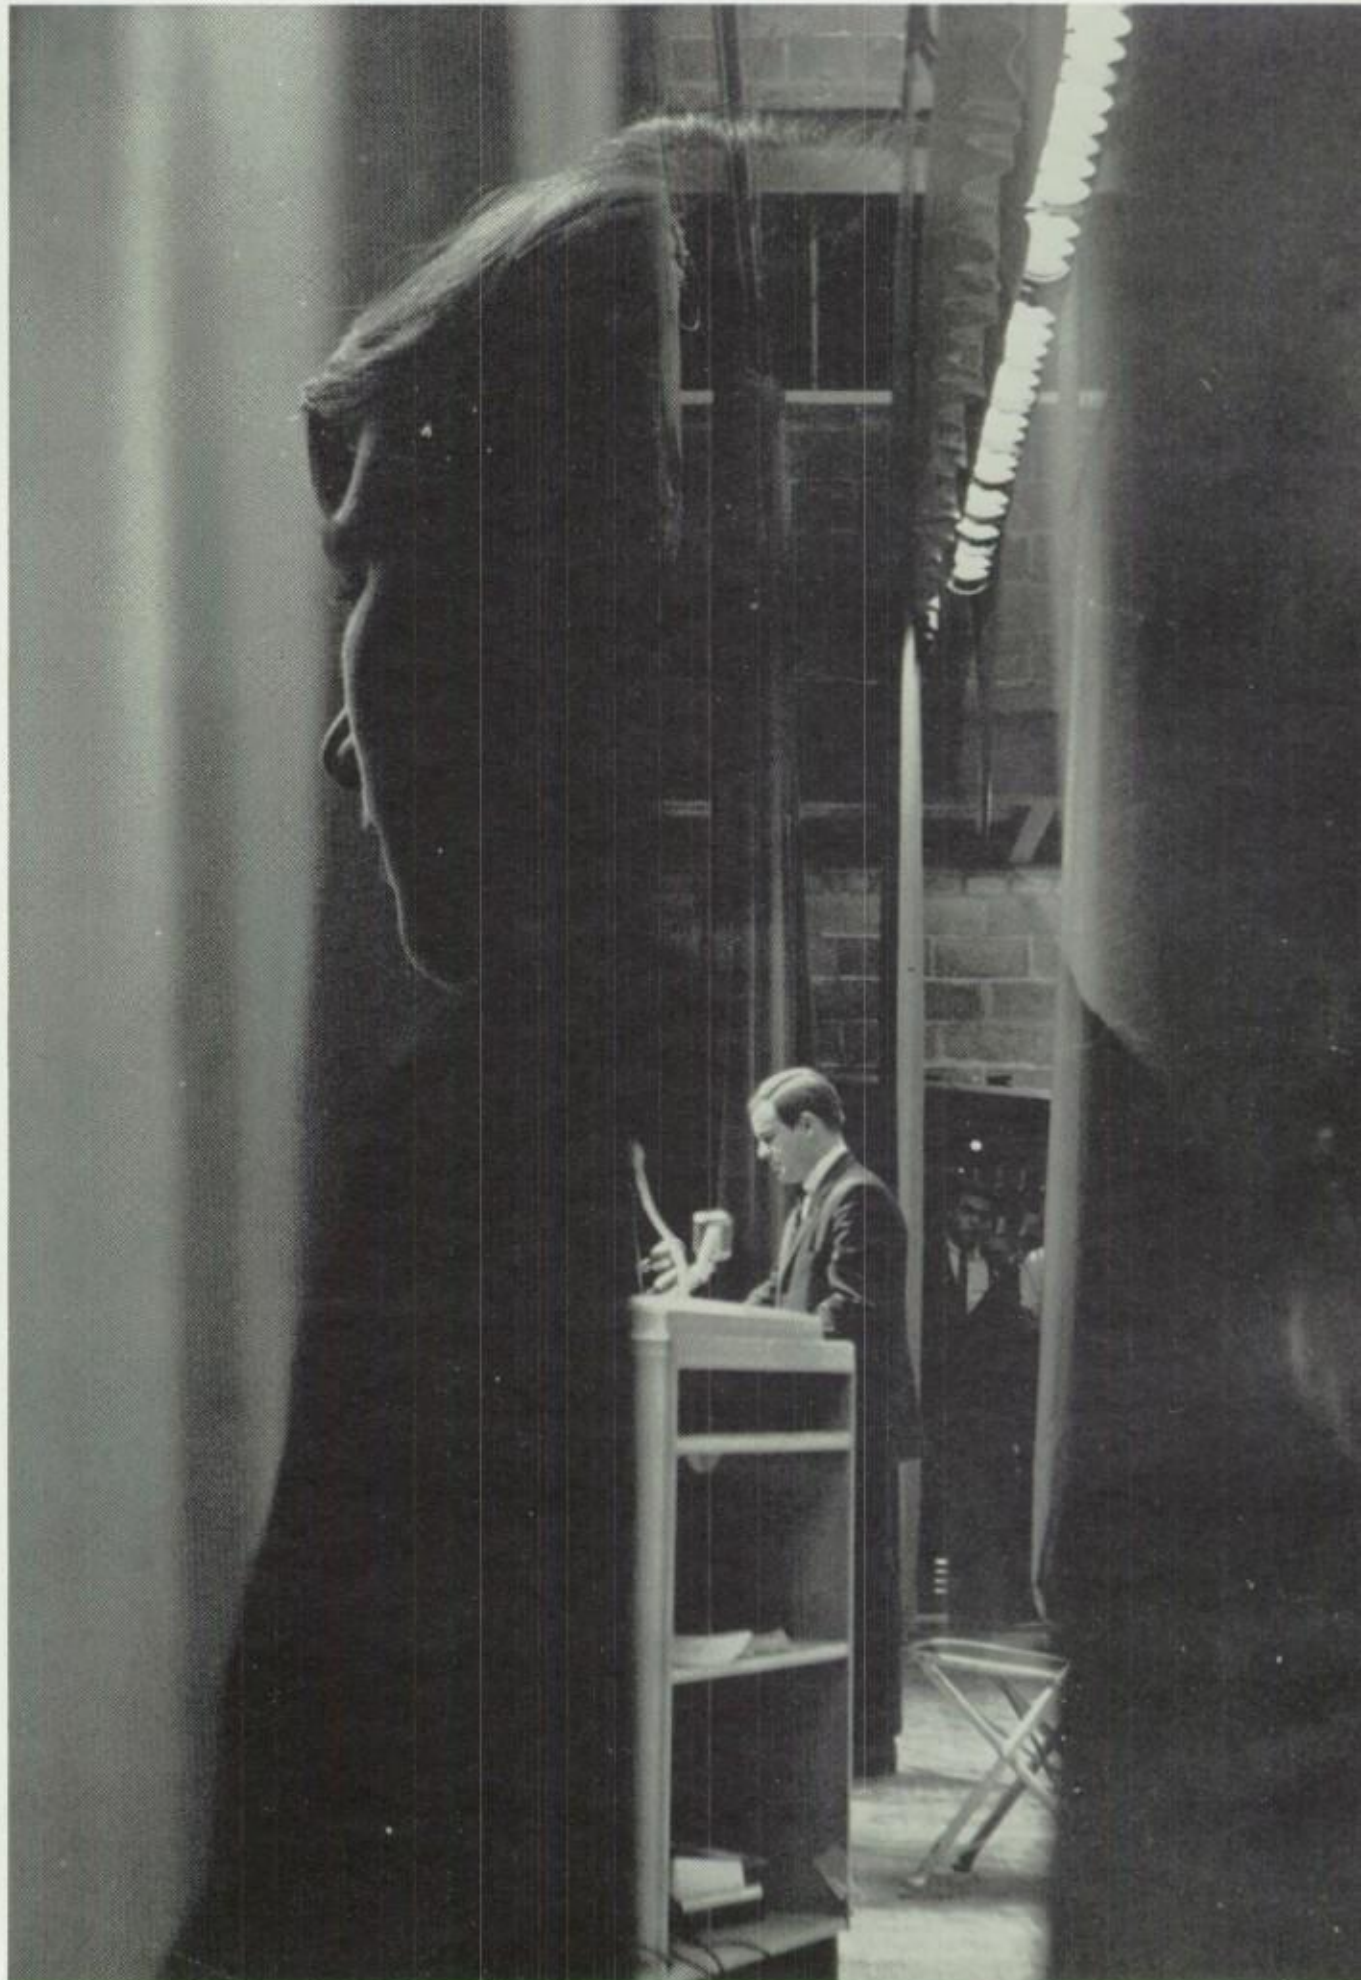

This year the students of O.C.S. participated actively in the 1964 presidential campaign and election . . . The student body found itself split into three major factions: those for Goldwater and Miller, those for Johnson and Humphrey, and those who tried (often unsuccessfully) to remain neutral.

Under the supervision of Mr. Steigerwald, the Tom-Tom promoted the organization of two committees—one to support each of the major candidates. Bruce and Gill Gillmor became the co-chairmen of the Republican committee, while Checko Miller took his place as chairman of the Democratic committee. Students assembled behind these boys, assisting in such varied jobs as distributing partisan literature, organizing rallies, planning strategy and arguing with those students who seemed to be swinging toward the opposition.

The climax of the campaign at O.C.S. came with two assemblies held on October 29. During these, Bruce Gillmor and Mitchell Rapaport presented their views to the students and debated with each other concerning the issues involved in the election.

The following Monday, one day before the national elections, the students themselves went to the polls and overwhelmingly elected Lyndon B. Johnson to the presidency of the United States.

Fulfilling one of the characteristics for which they were chosen, members of Honor Society serve O.C.S. daily. Their service takes the form of a highly successful tutoring system. Members are required to tutor at least one student, and some tutor as many as seven in subjects ranging from math to Latin. Students receive tutoring only as long as they need it, then they are "dropped" in order that others may be helped.

This year is the third year in which we have had a mixed chorus at O.C.S. In these three years, this group has grown from a vocally unbalanced chorus to a fine a capella ensemble.

Facing three times a week the emptiness of the auditorium, the chorus prepares for the times it will confront an audience of people instead of empty seats. Under the able direction of Mr. Earl Proper, the members blend their voices into a harmonious one or a melodious many. Charming students with everything from "White Christmas" to "Battle Hymn of the Republic," the chorus is always rewarded by well-earned applause.

By the end of this year, the chorus will have participated in two assemblies and two concerts for 1964-65.

As an amazing number of petitions poured in for the Tomahawk Queen Contest, the difficulty of choosing only six girls as semi-finalists was realized. The selection of one girl as queen seemed almost an impossibility. The eliminations were made, however. Sita Anderson, Barbara Baston, Norma Harris, Lynn Merch, Lora Umhay and Sue Witko became semi-finalists.

There's something nice about a tradition. And something exciting about a contest, and something romantic about a dance. And when you put all three of them together you come up with the Tomahawk Dance—and as anyone at Onteora will tell you, there's something special about the Tomahawk Dance. There is a certain mysterious something that makes the Tomahawk Dance just about the biggest school-wide social event of the year.

Maybe it has something to do with the contest. Perhaps the kids running around with petitions for their favorite senior girl do it. Or maybe it's the assembly at which the six finalists for Tomahawk Queen are presented to the student body; maybe the music, the nervous smiling girls and their escorts, have something to do with the magical mood which envelopes the school in a wild whirl of excitement. Or, it could be the dance itself at which the girl chosen by the students is crowned Queen of the school. Nobody is quite sure what makes the Tomahawk Dance what it is, nobody has yet come up with a substantial reason of why the school steps out of its serious scholasticism for a week or two and goes madly romantic. Nobody knows why the dance is what it is, nobody really cares to find out. All anybody can ever say is "There's something special about the Tomahawk Dance." And if you're an Onteora Student, you don't have to question them about it—you know what they mean.

SUE WITKO —

1965 TOMAHAWK QUEEN

WINTER

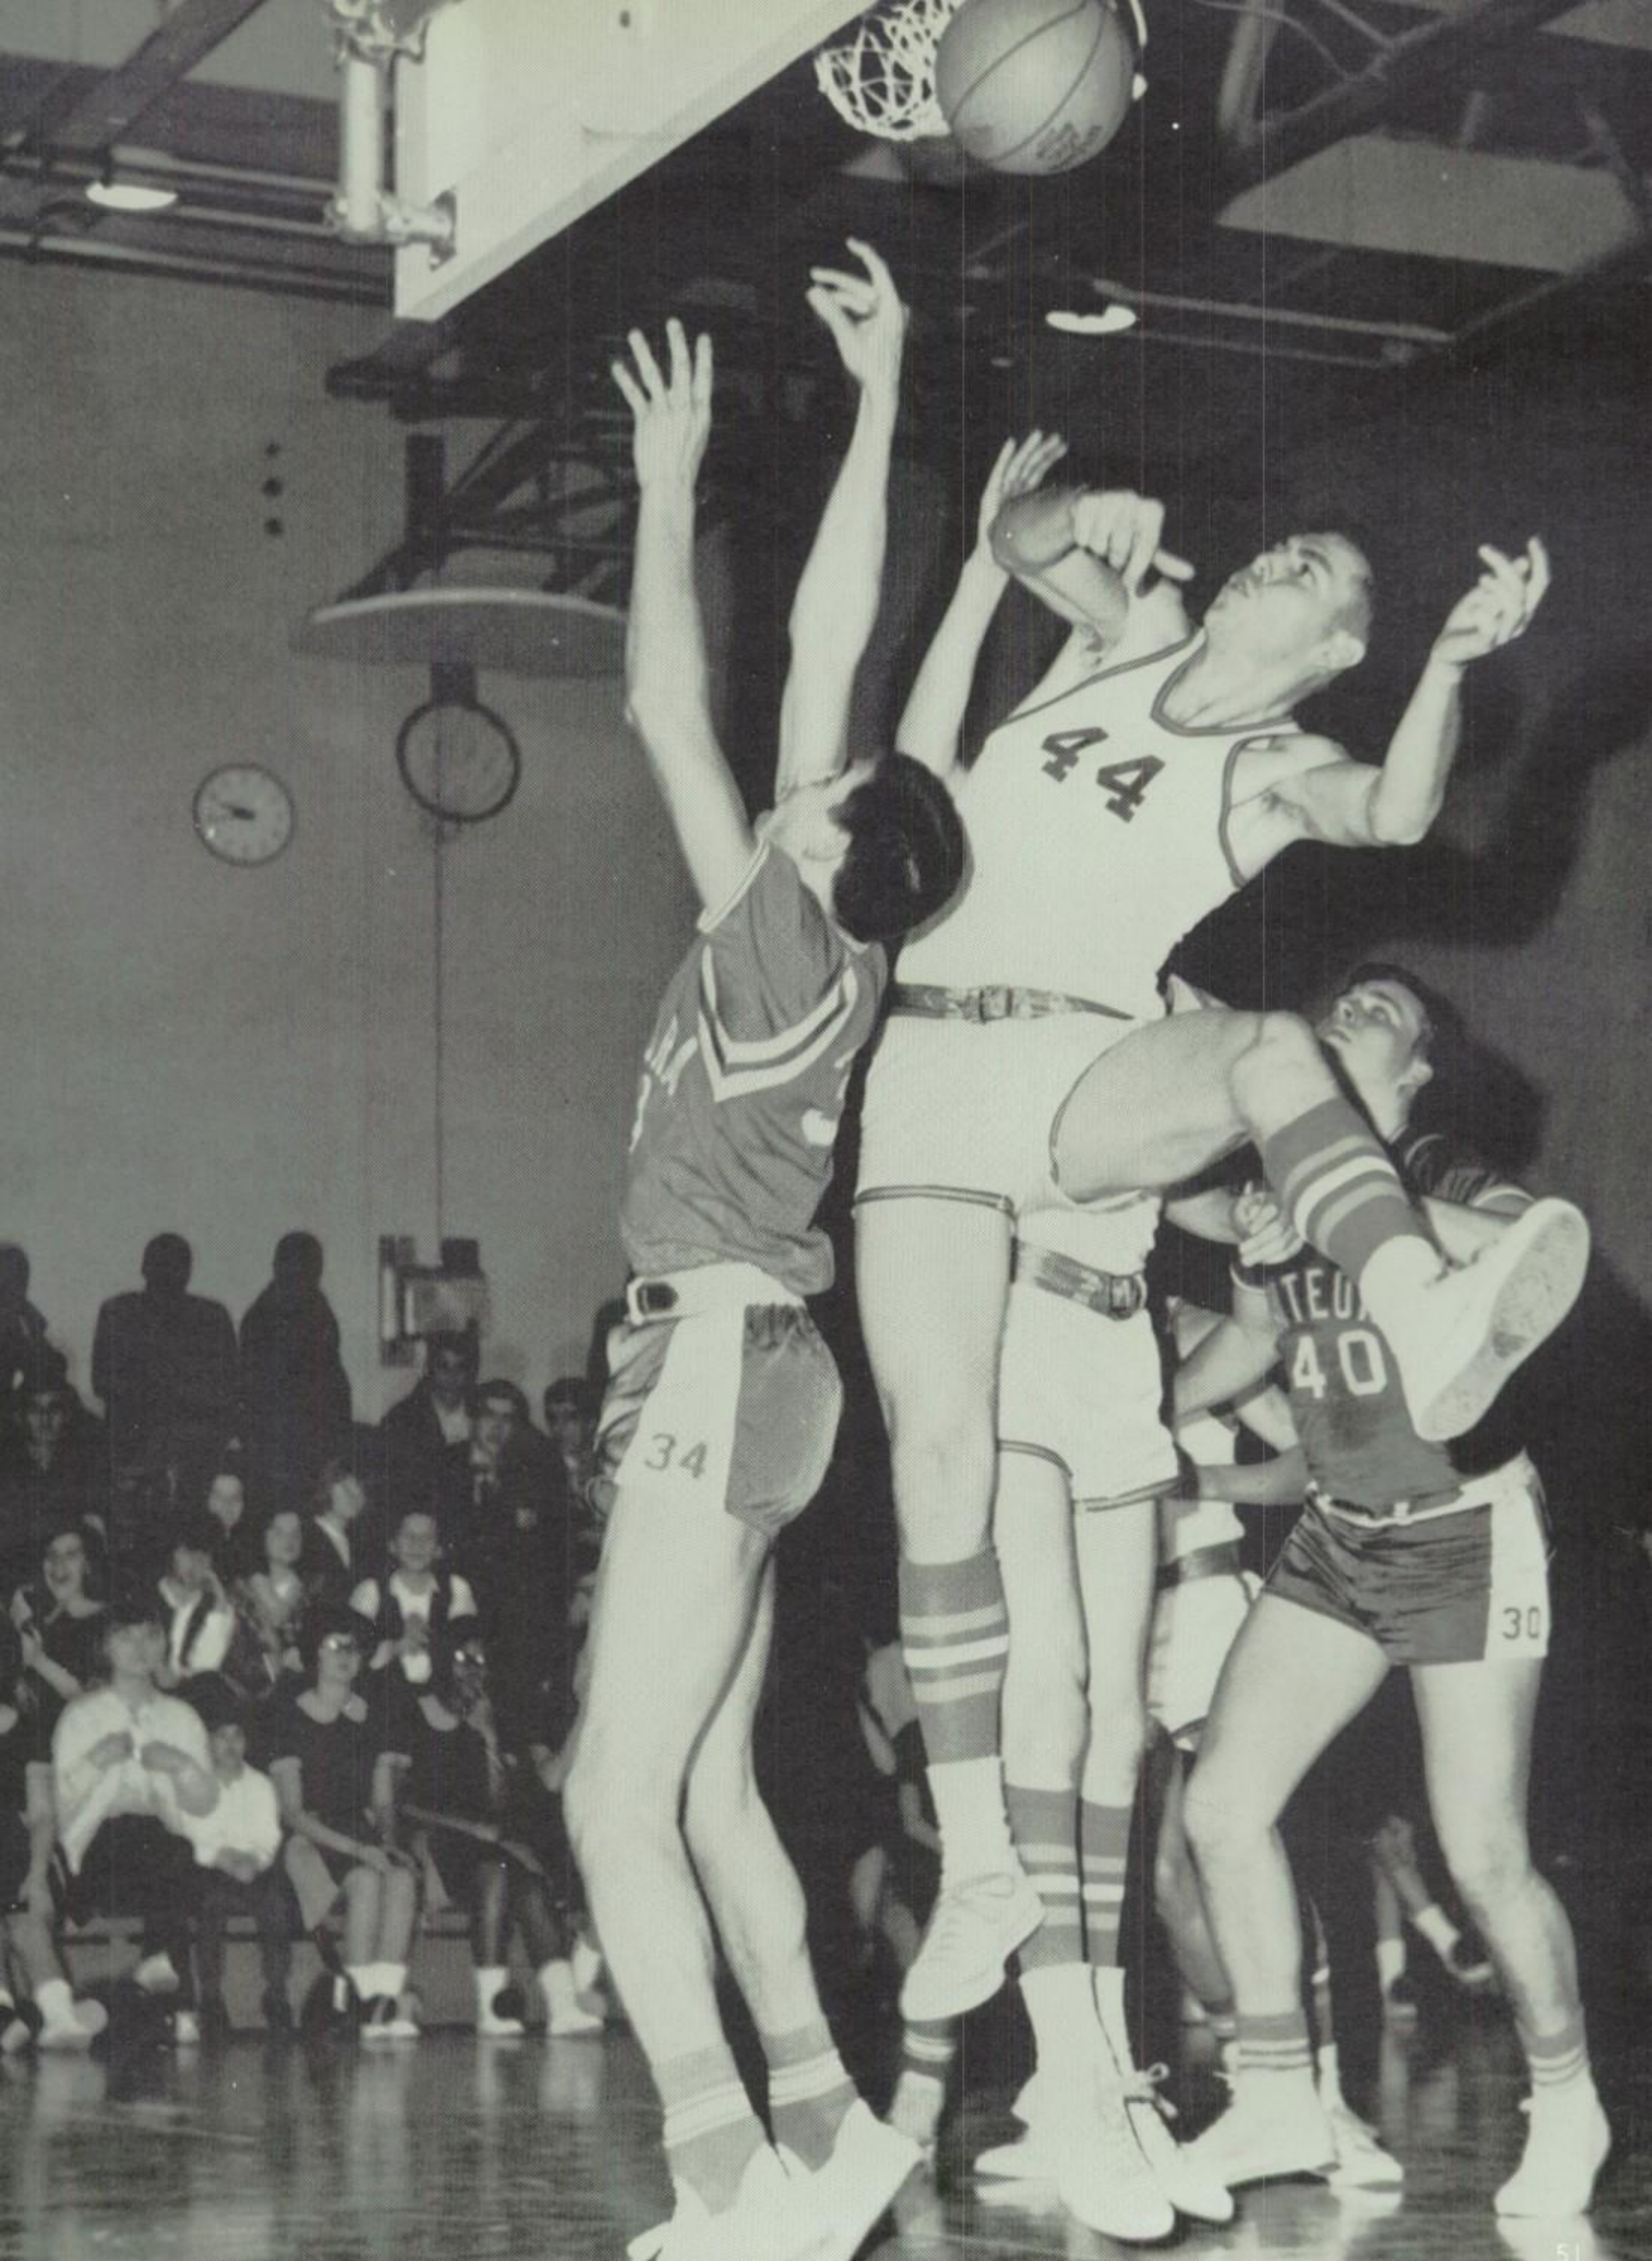

L. Vanacore L. Bresadola L. Merch S. Anderson S. Witko C. Johnson L. Umhay S. Wilson

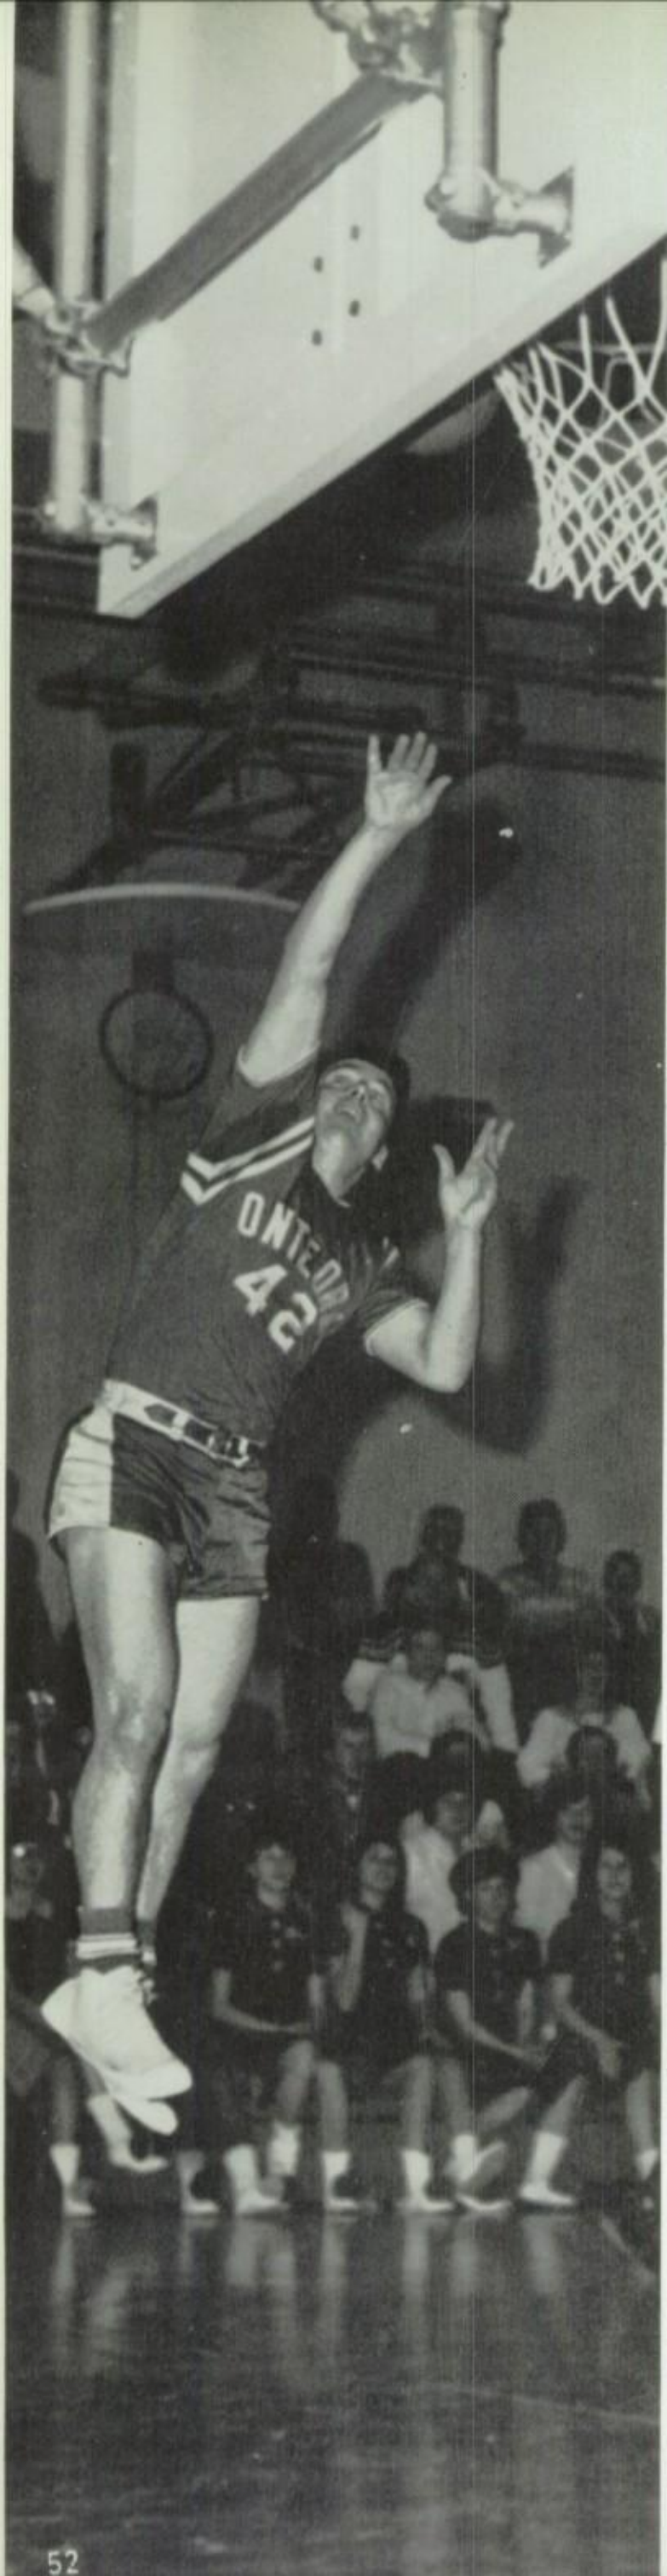

In U.C.A.L. competition at New Paltz, the O.C.S. varsity cheerleading squad scored 623 out of 675 points and held on to the top spot it had won in 1964. Highland, however, also scored 623, and competition closed with a tie for first place.

The last few years have seen a vast improvement in the style of cheering. This improvement can perhaps be symbolized by the success story of our cheerleaders. In 1963 they came in fifth in league competition. With hard work and creativity, the girls were able to return the next year and capture first place. This gave incentive to other schools in the U.C.A.L., and within two short years cheers became more diversified and greatly improved.

Six of the girls, seniors, Linda Bresadola, Sita Anderson, Sue Bush, Lynn Merch, Susan Witko and Lora Umhay, will be leaving this year.

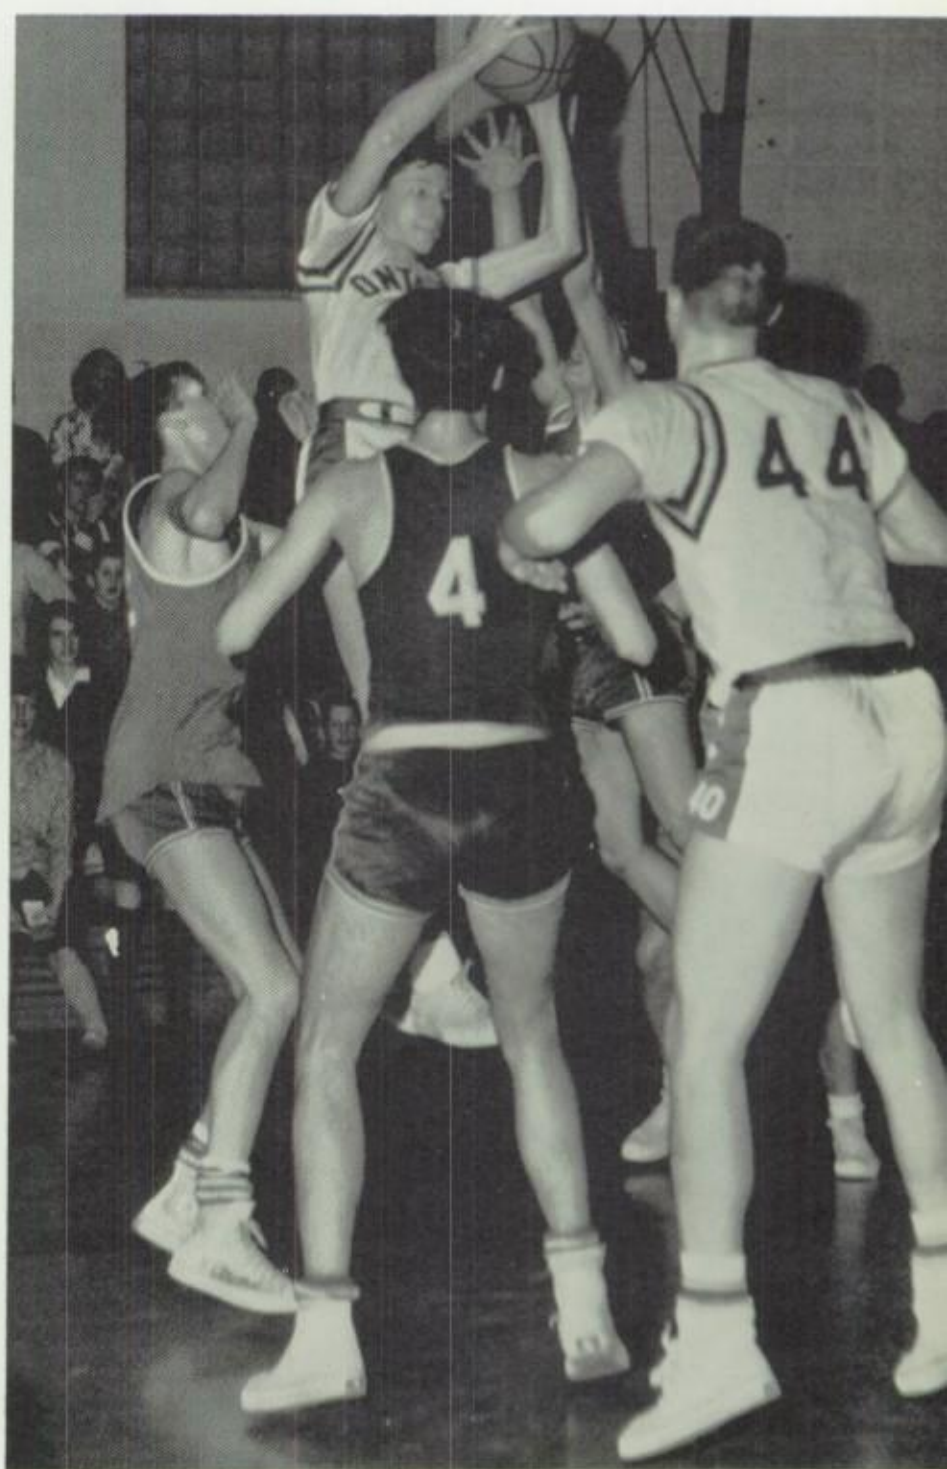

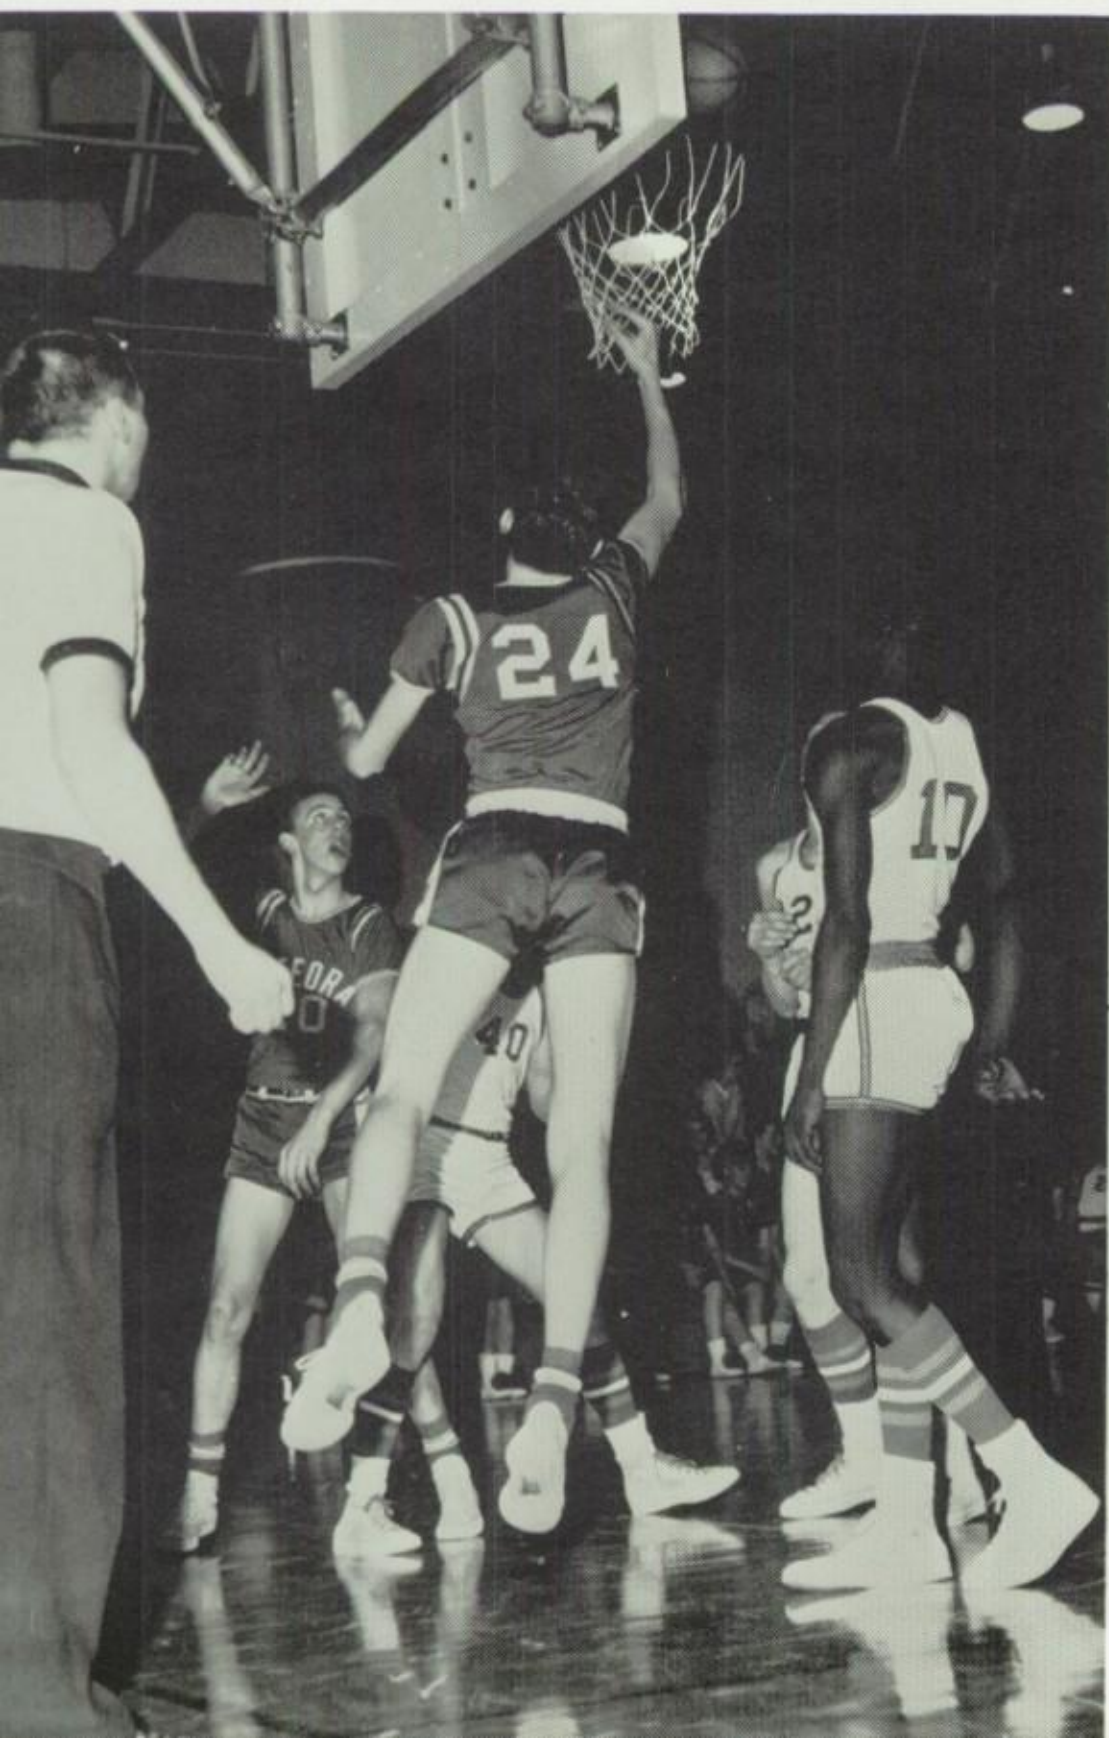

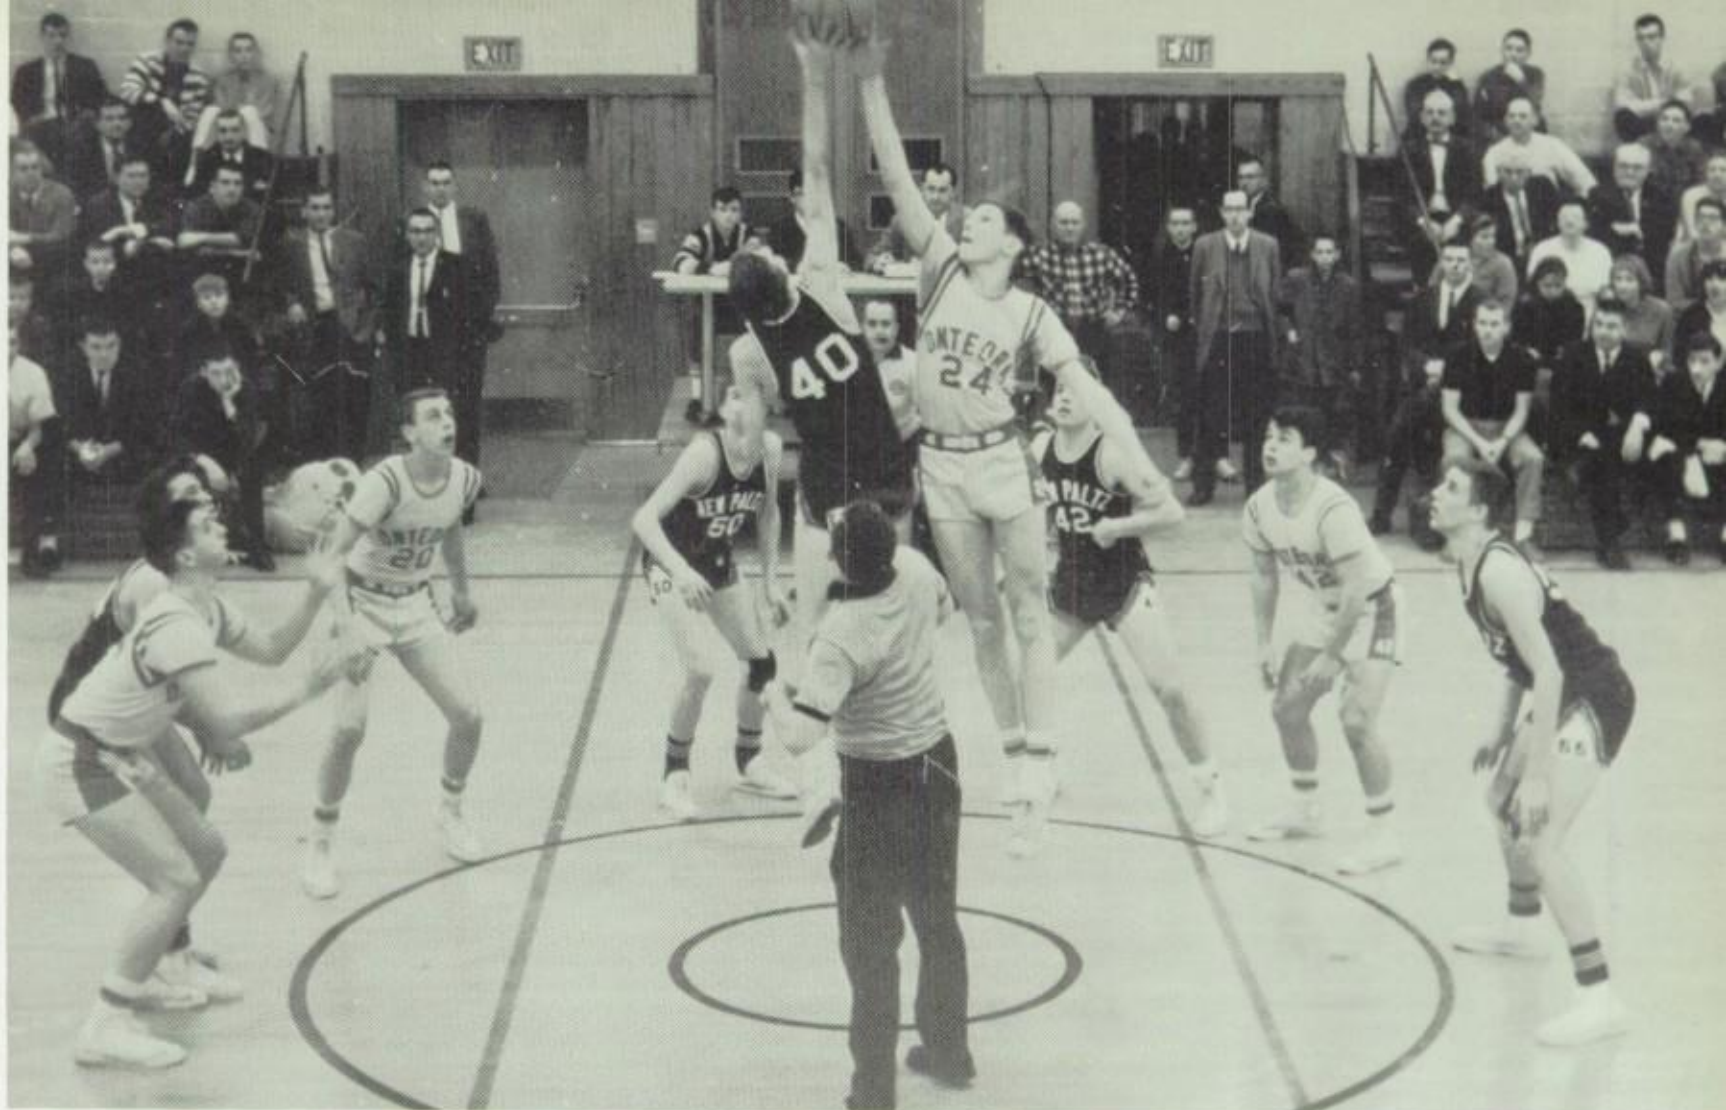

Captain John Phelan goes high for a successful field goal.

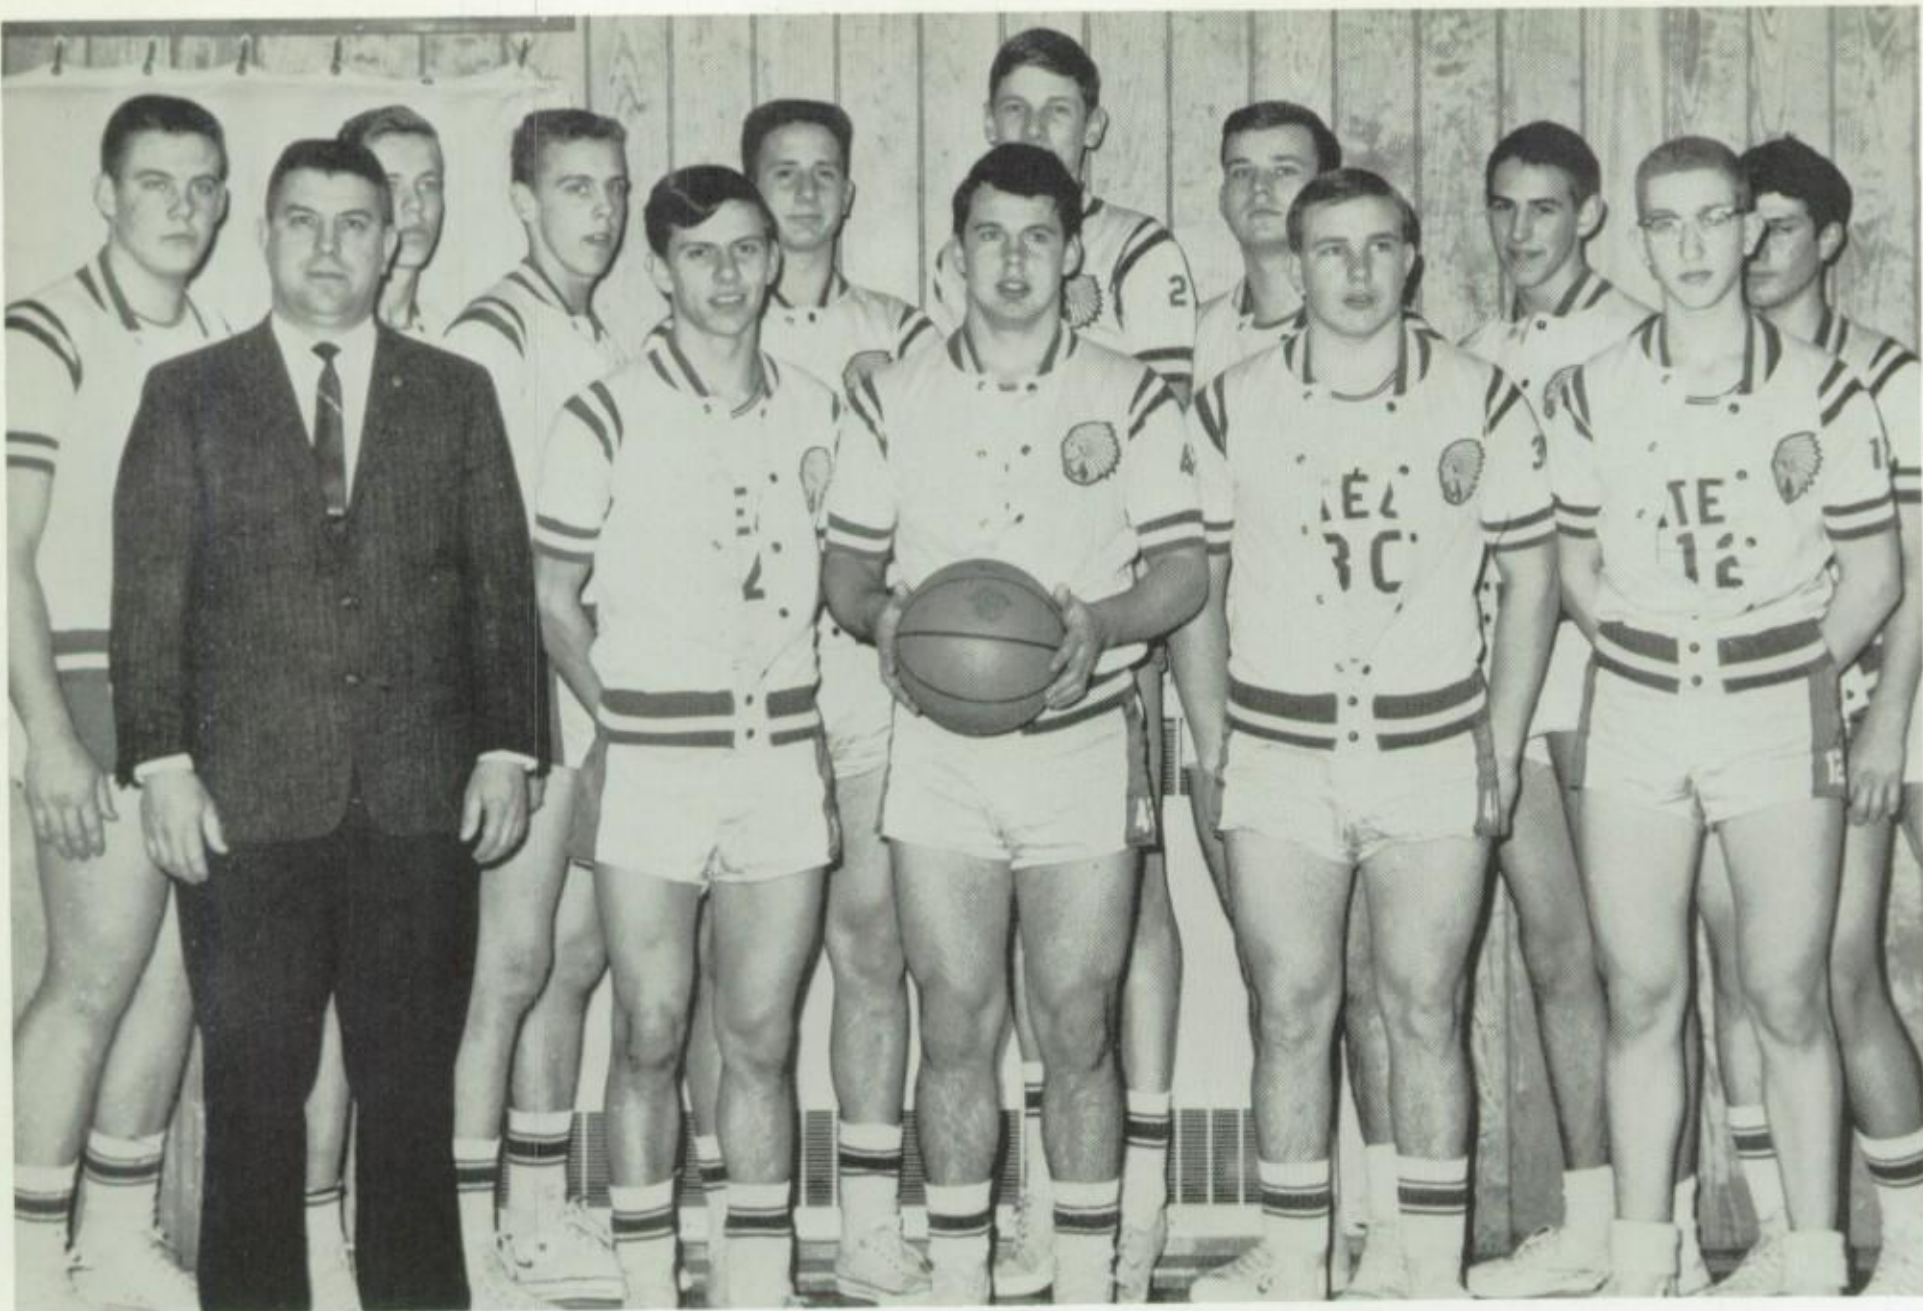

Fred Pettinato fights for ball in the Onteora upset of New Paltz, the U.C.A.L. champs.

Chet Gaede (#24) goes high on a jump ball.

Fred Pettinato (#44) watches Chet Gaede come down with a rebound.

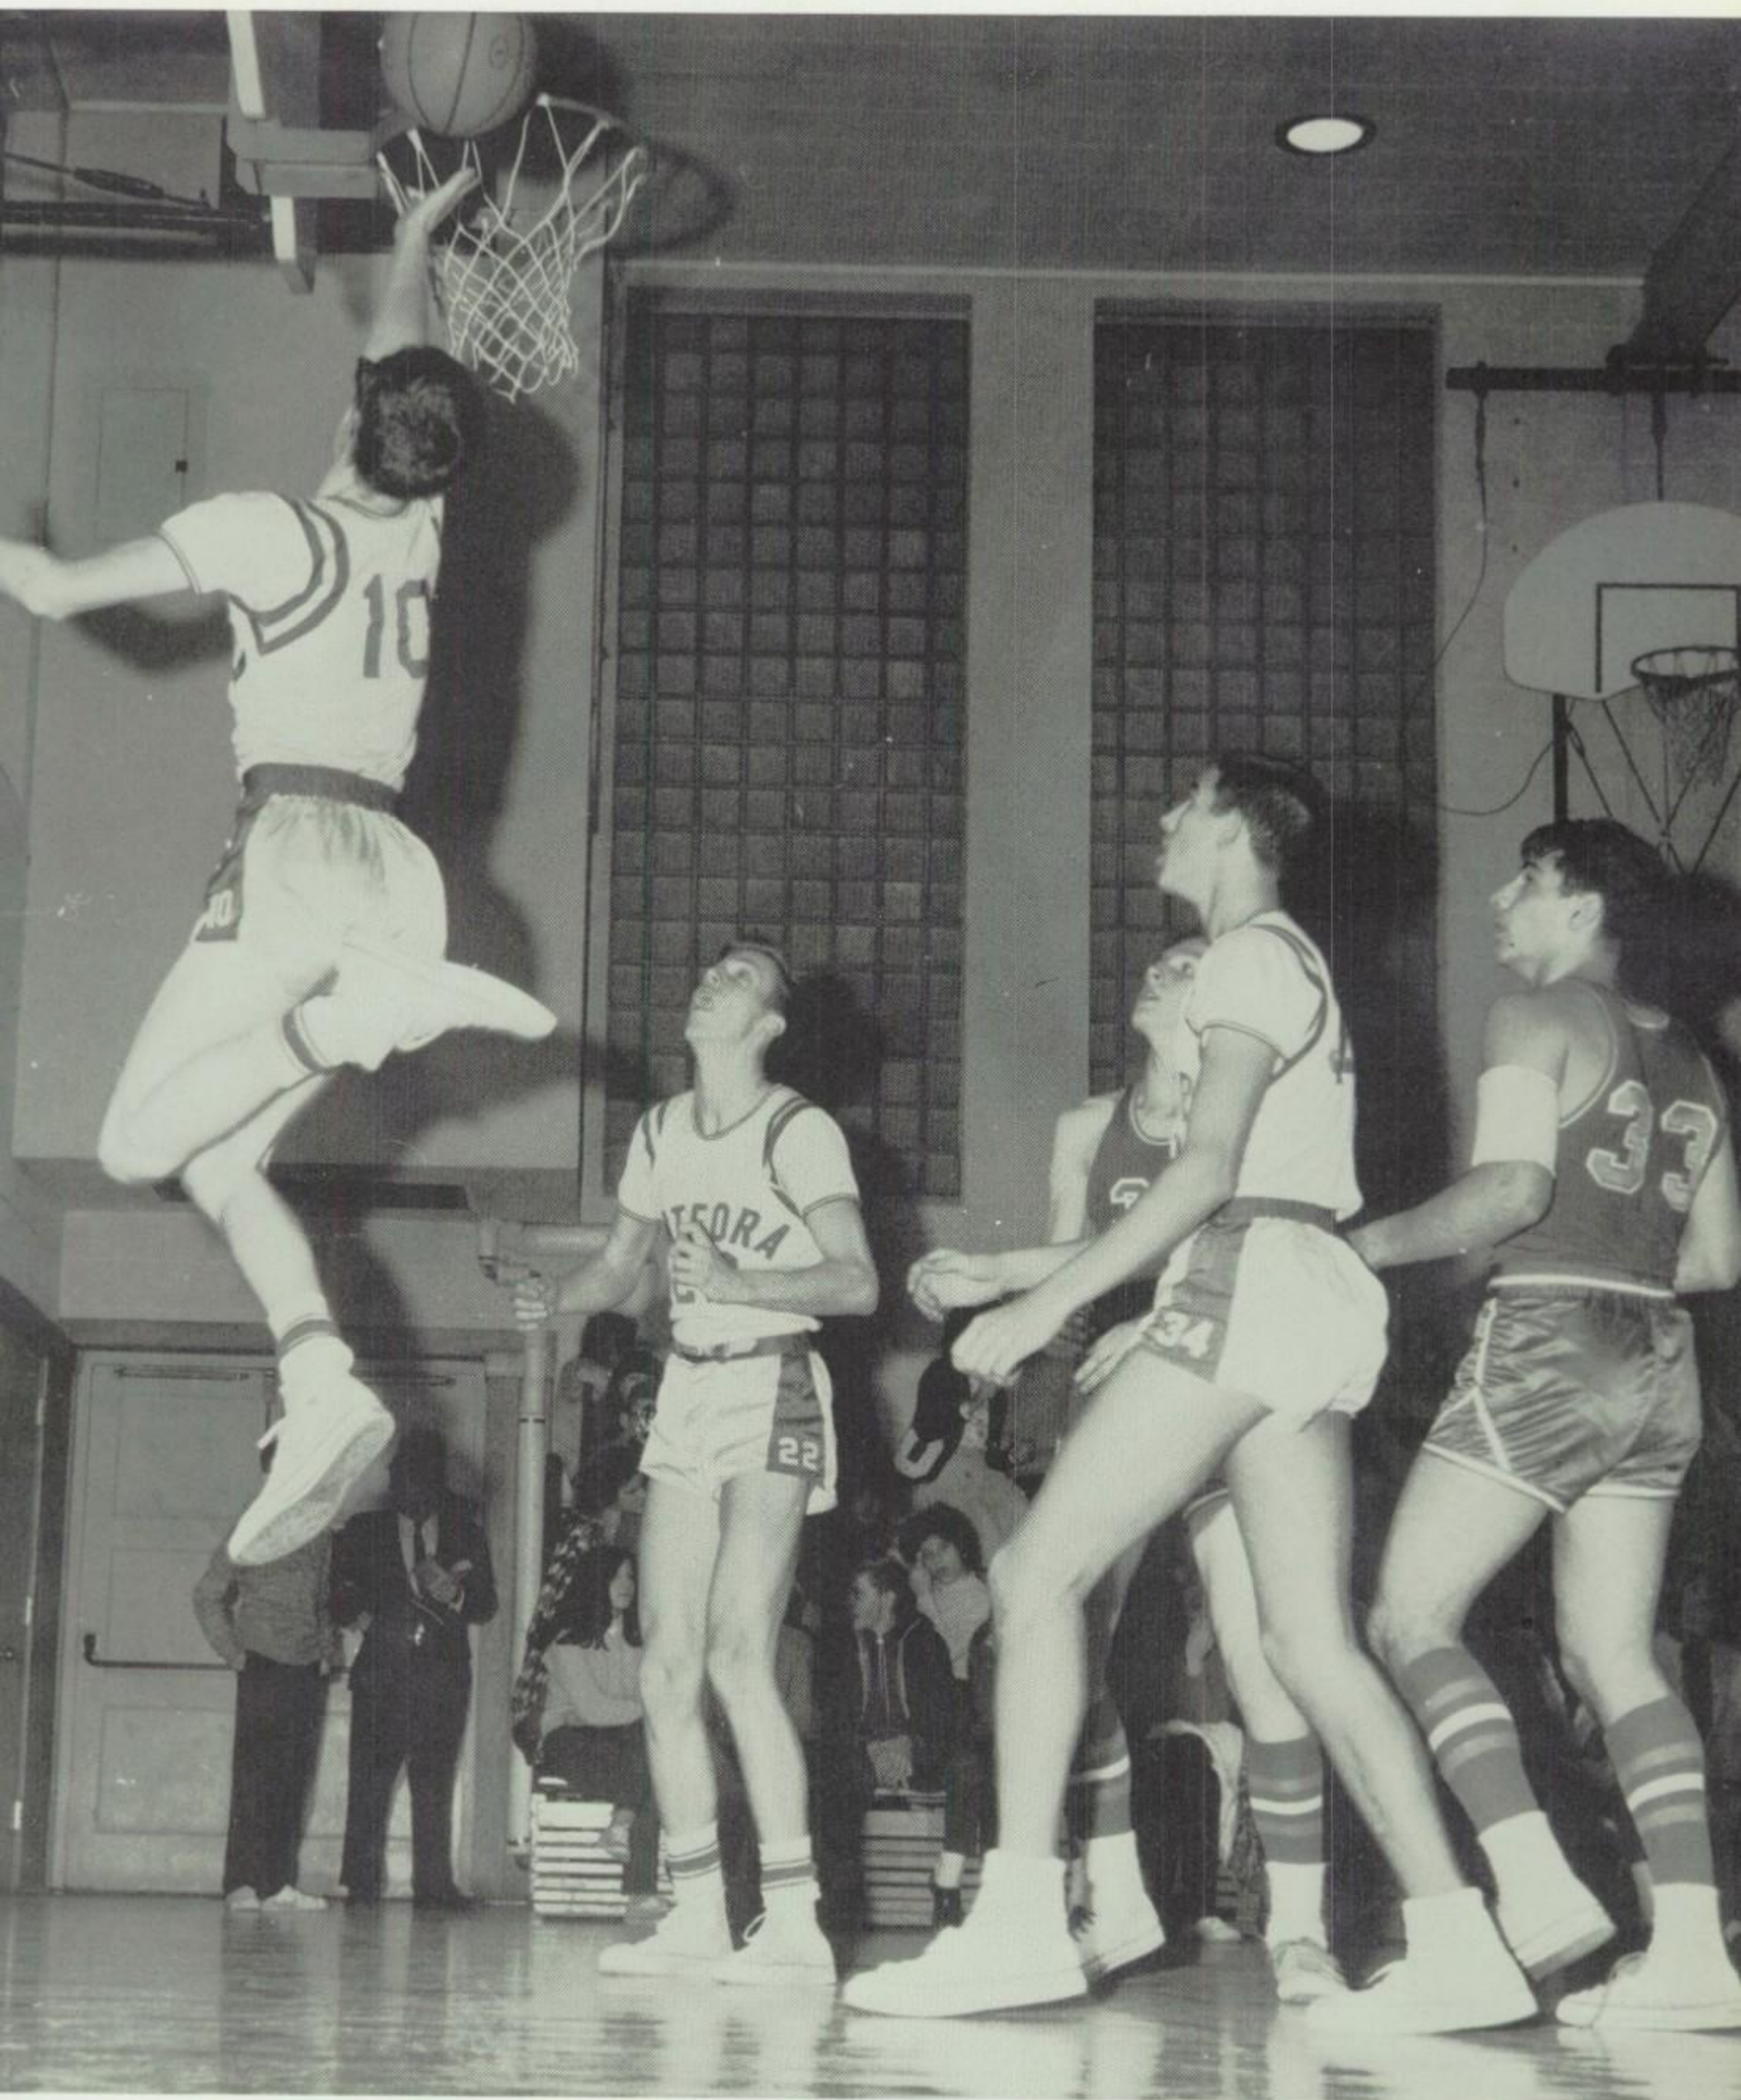

BACK ROW, L-R: Brian Castle R. Carlson B. Kelly F. Pettinato C. Gaede C. Howland J. Thompson S. Winecoff. FRONT ROW, L-R: Coach W. Kissel J. Mower Capt. J. Phelan G. Beesmer B. Rianhard.

For the first time in a number of years, the Varsity ball team was able to enter Section 9 competition. The team won 10 games and lost 8 during the regular season. In league competition the team ended the season tied with the Rondout Valley School for third place. In a play off game at Highland, however, O.C.S. scored a victory and now holds third alone.

John Phelan, the Varsity captain, is the only player who won't be returning next year. But with Chet Gaede, Fred Pettinato, Brian Kelly, John Mower, Charles Howland, and Gary Beesmer coming back to form a nucleus around which to work, Coach Wes Kissel has hopes of a league championship in the near future.

Russell Carlson #22 and John Thompson #34 give full attention to layup attempt by Steve Winecoff.

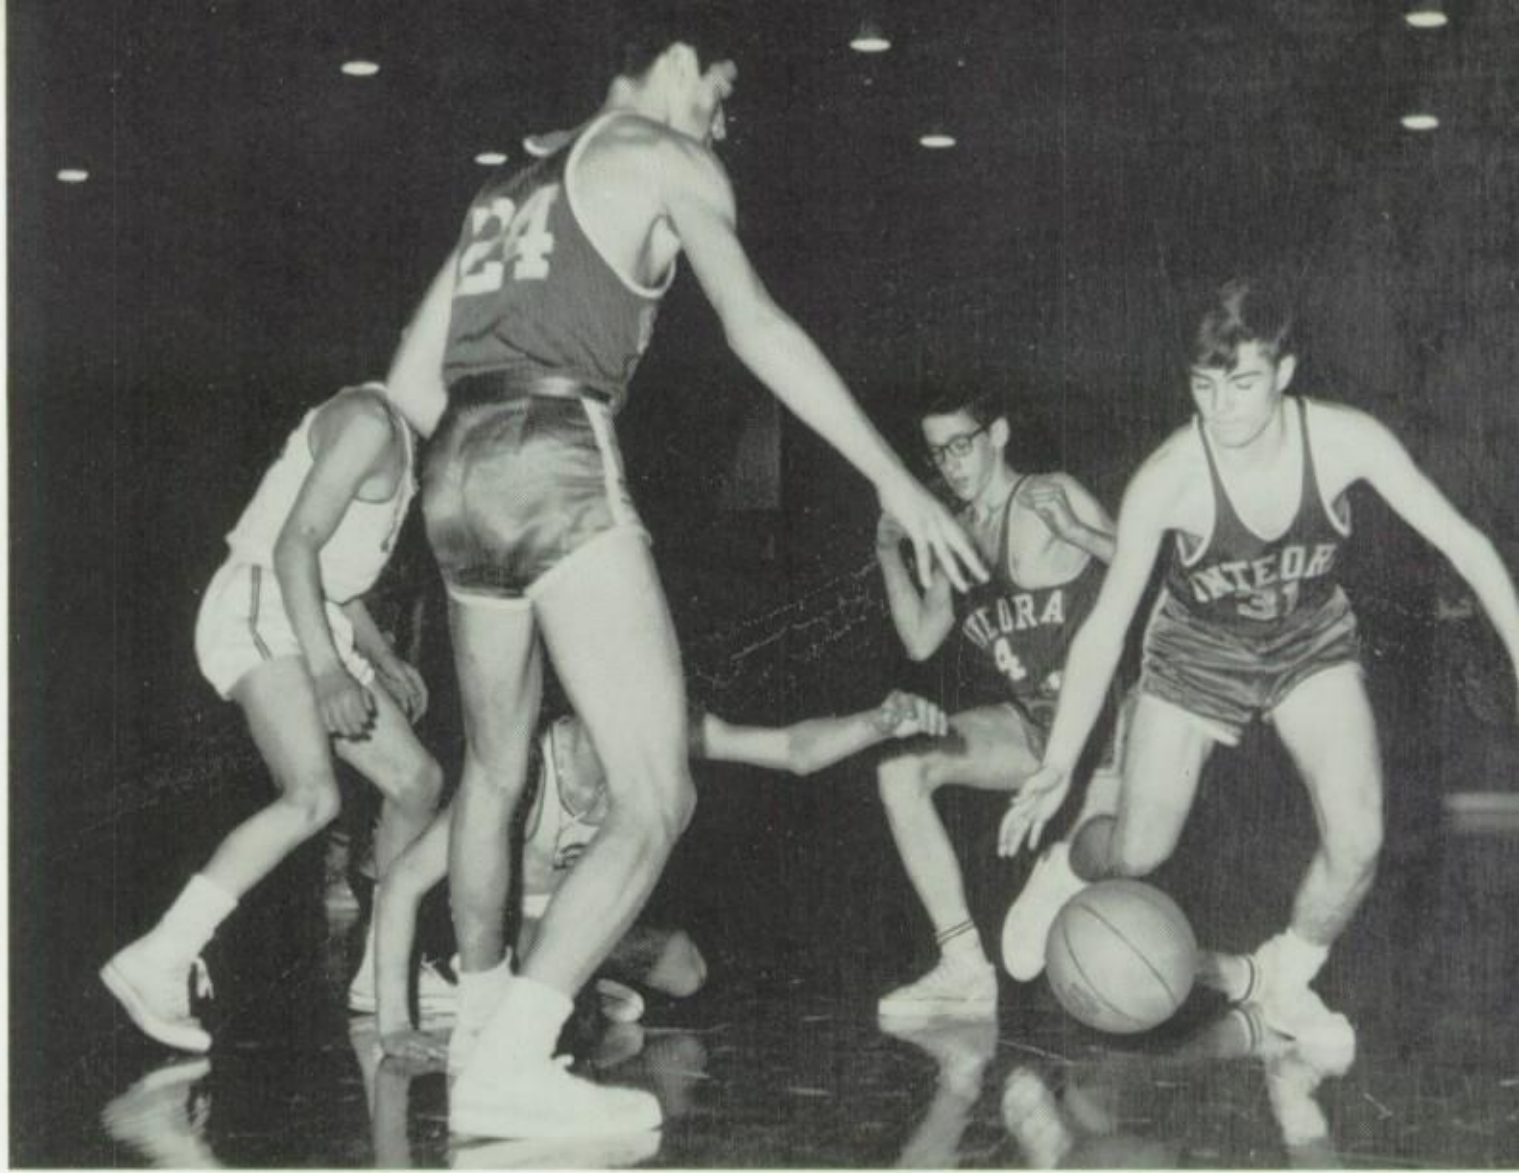

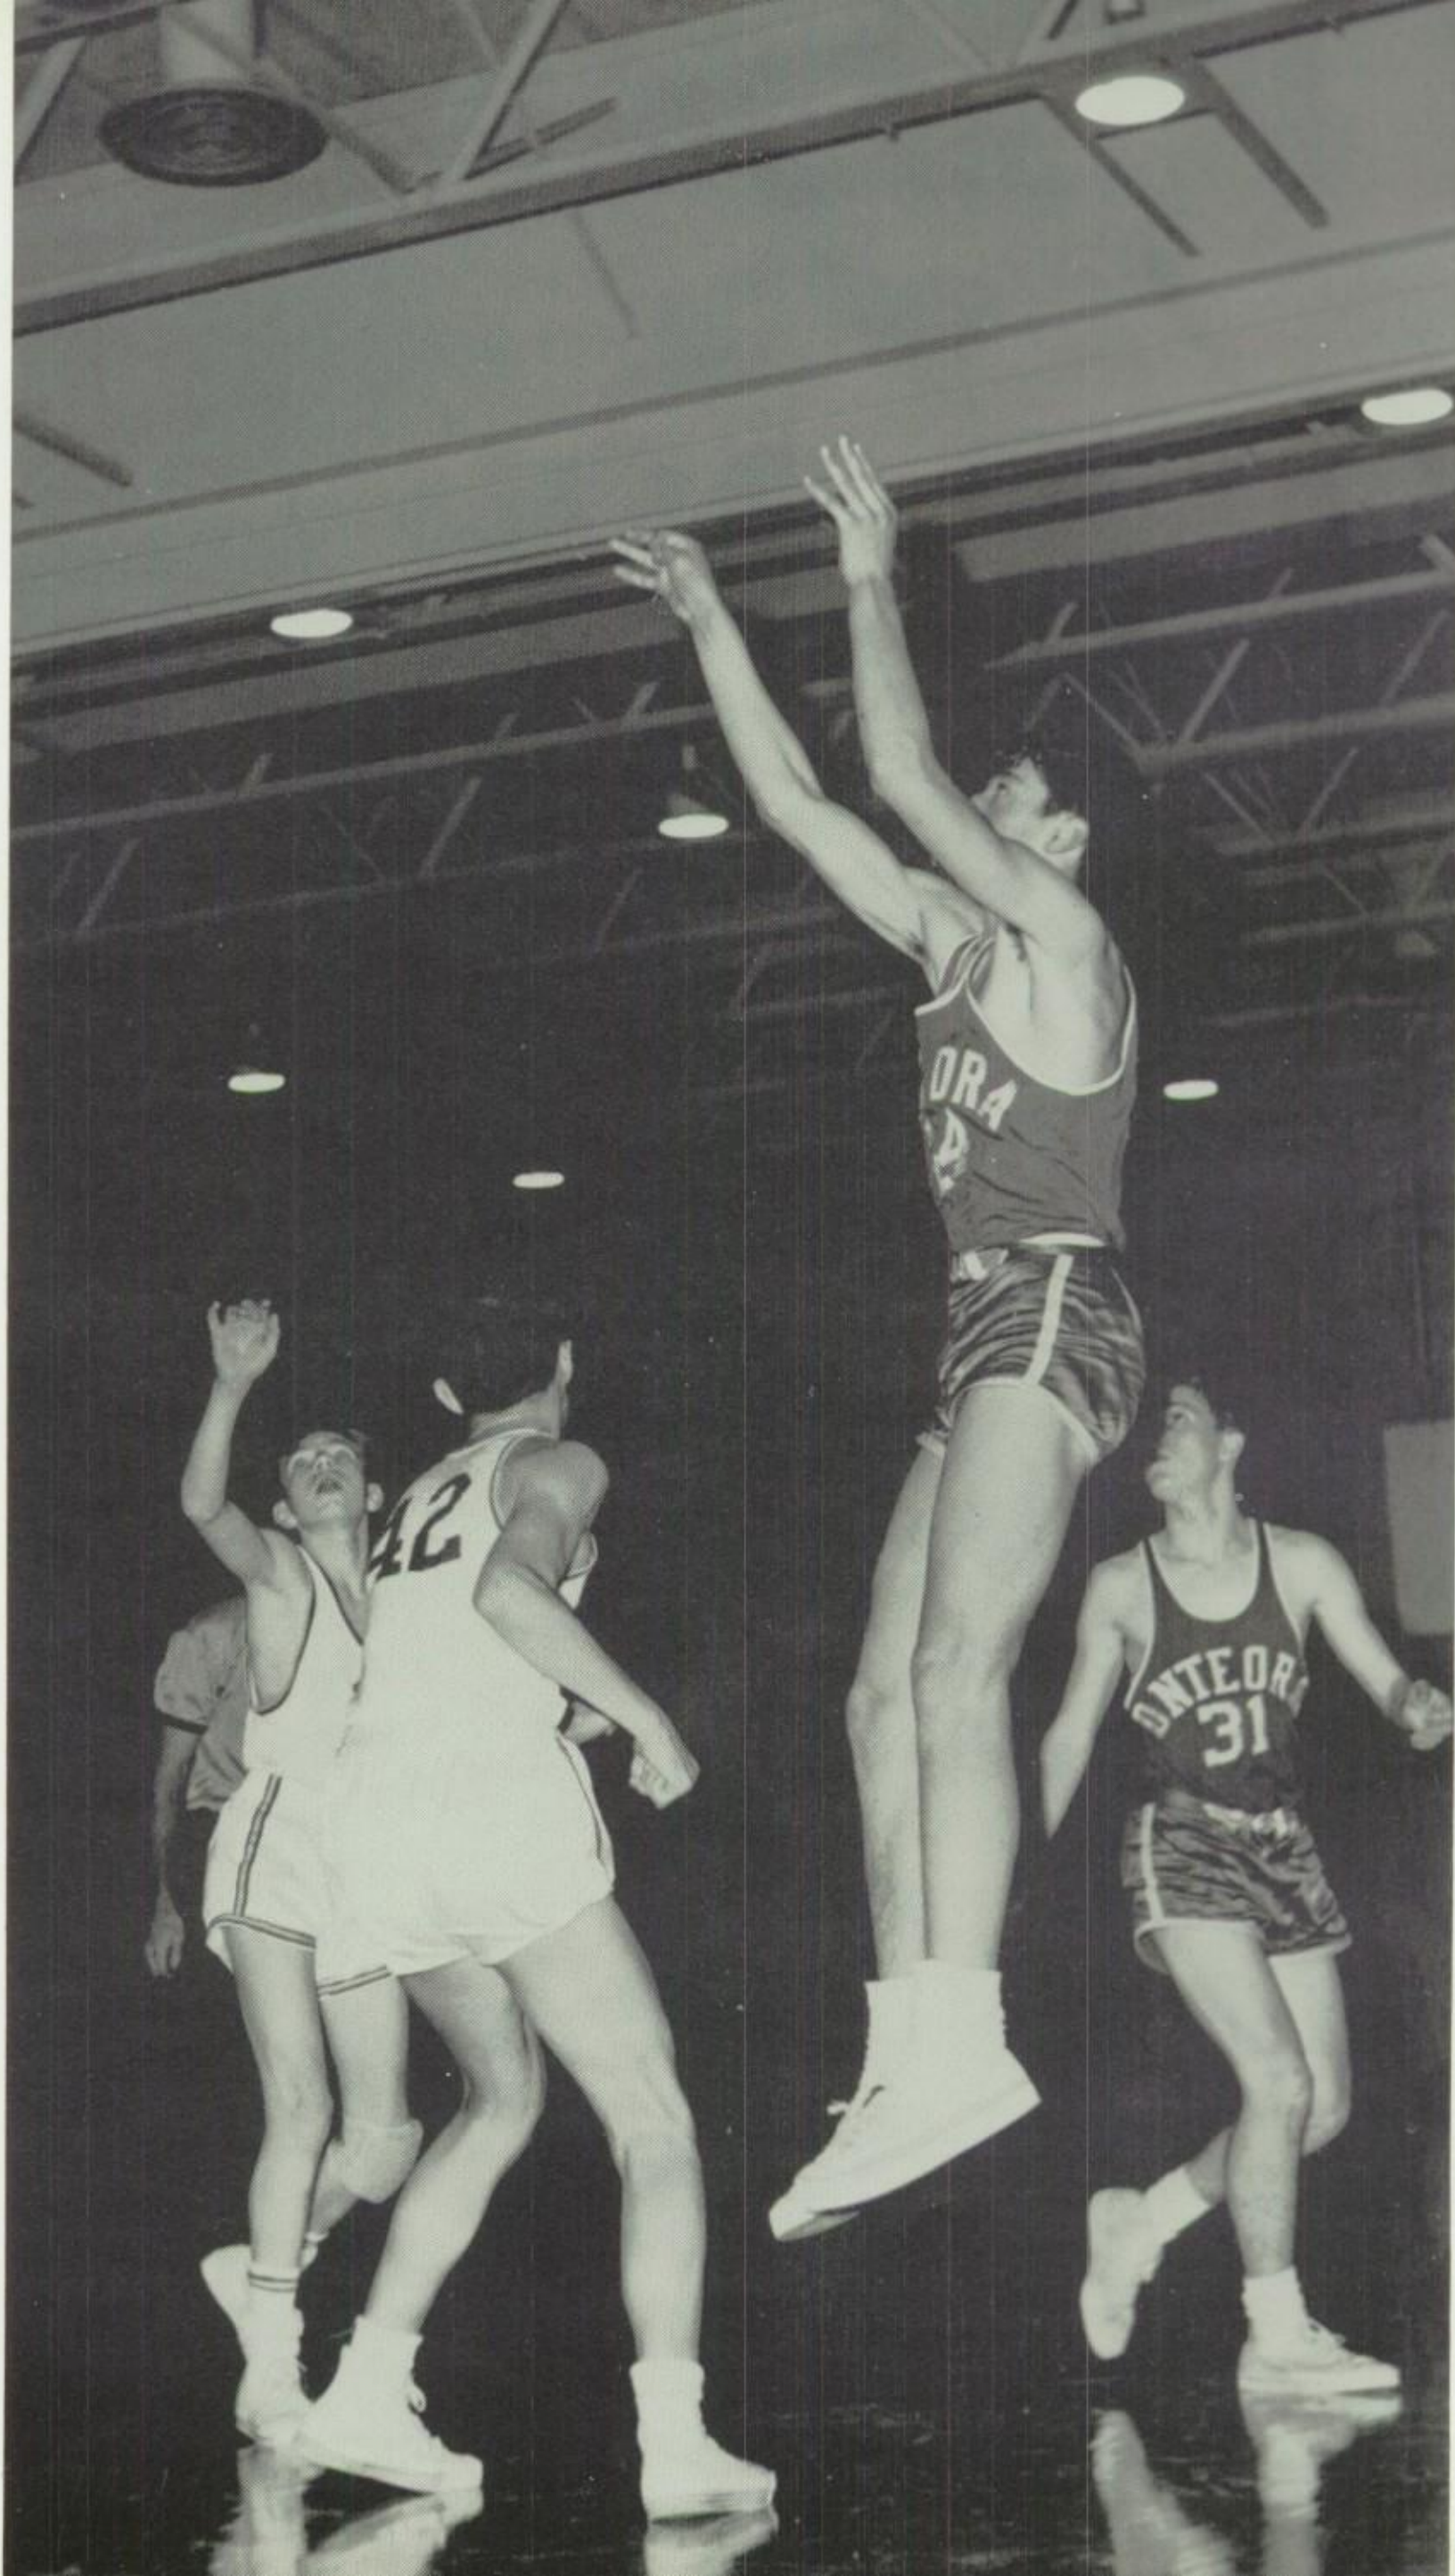

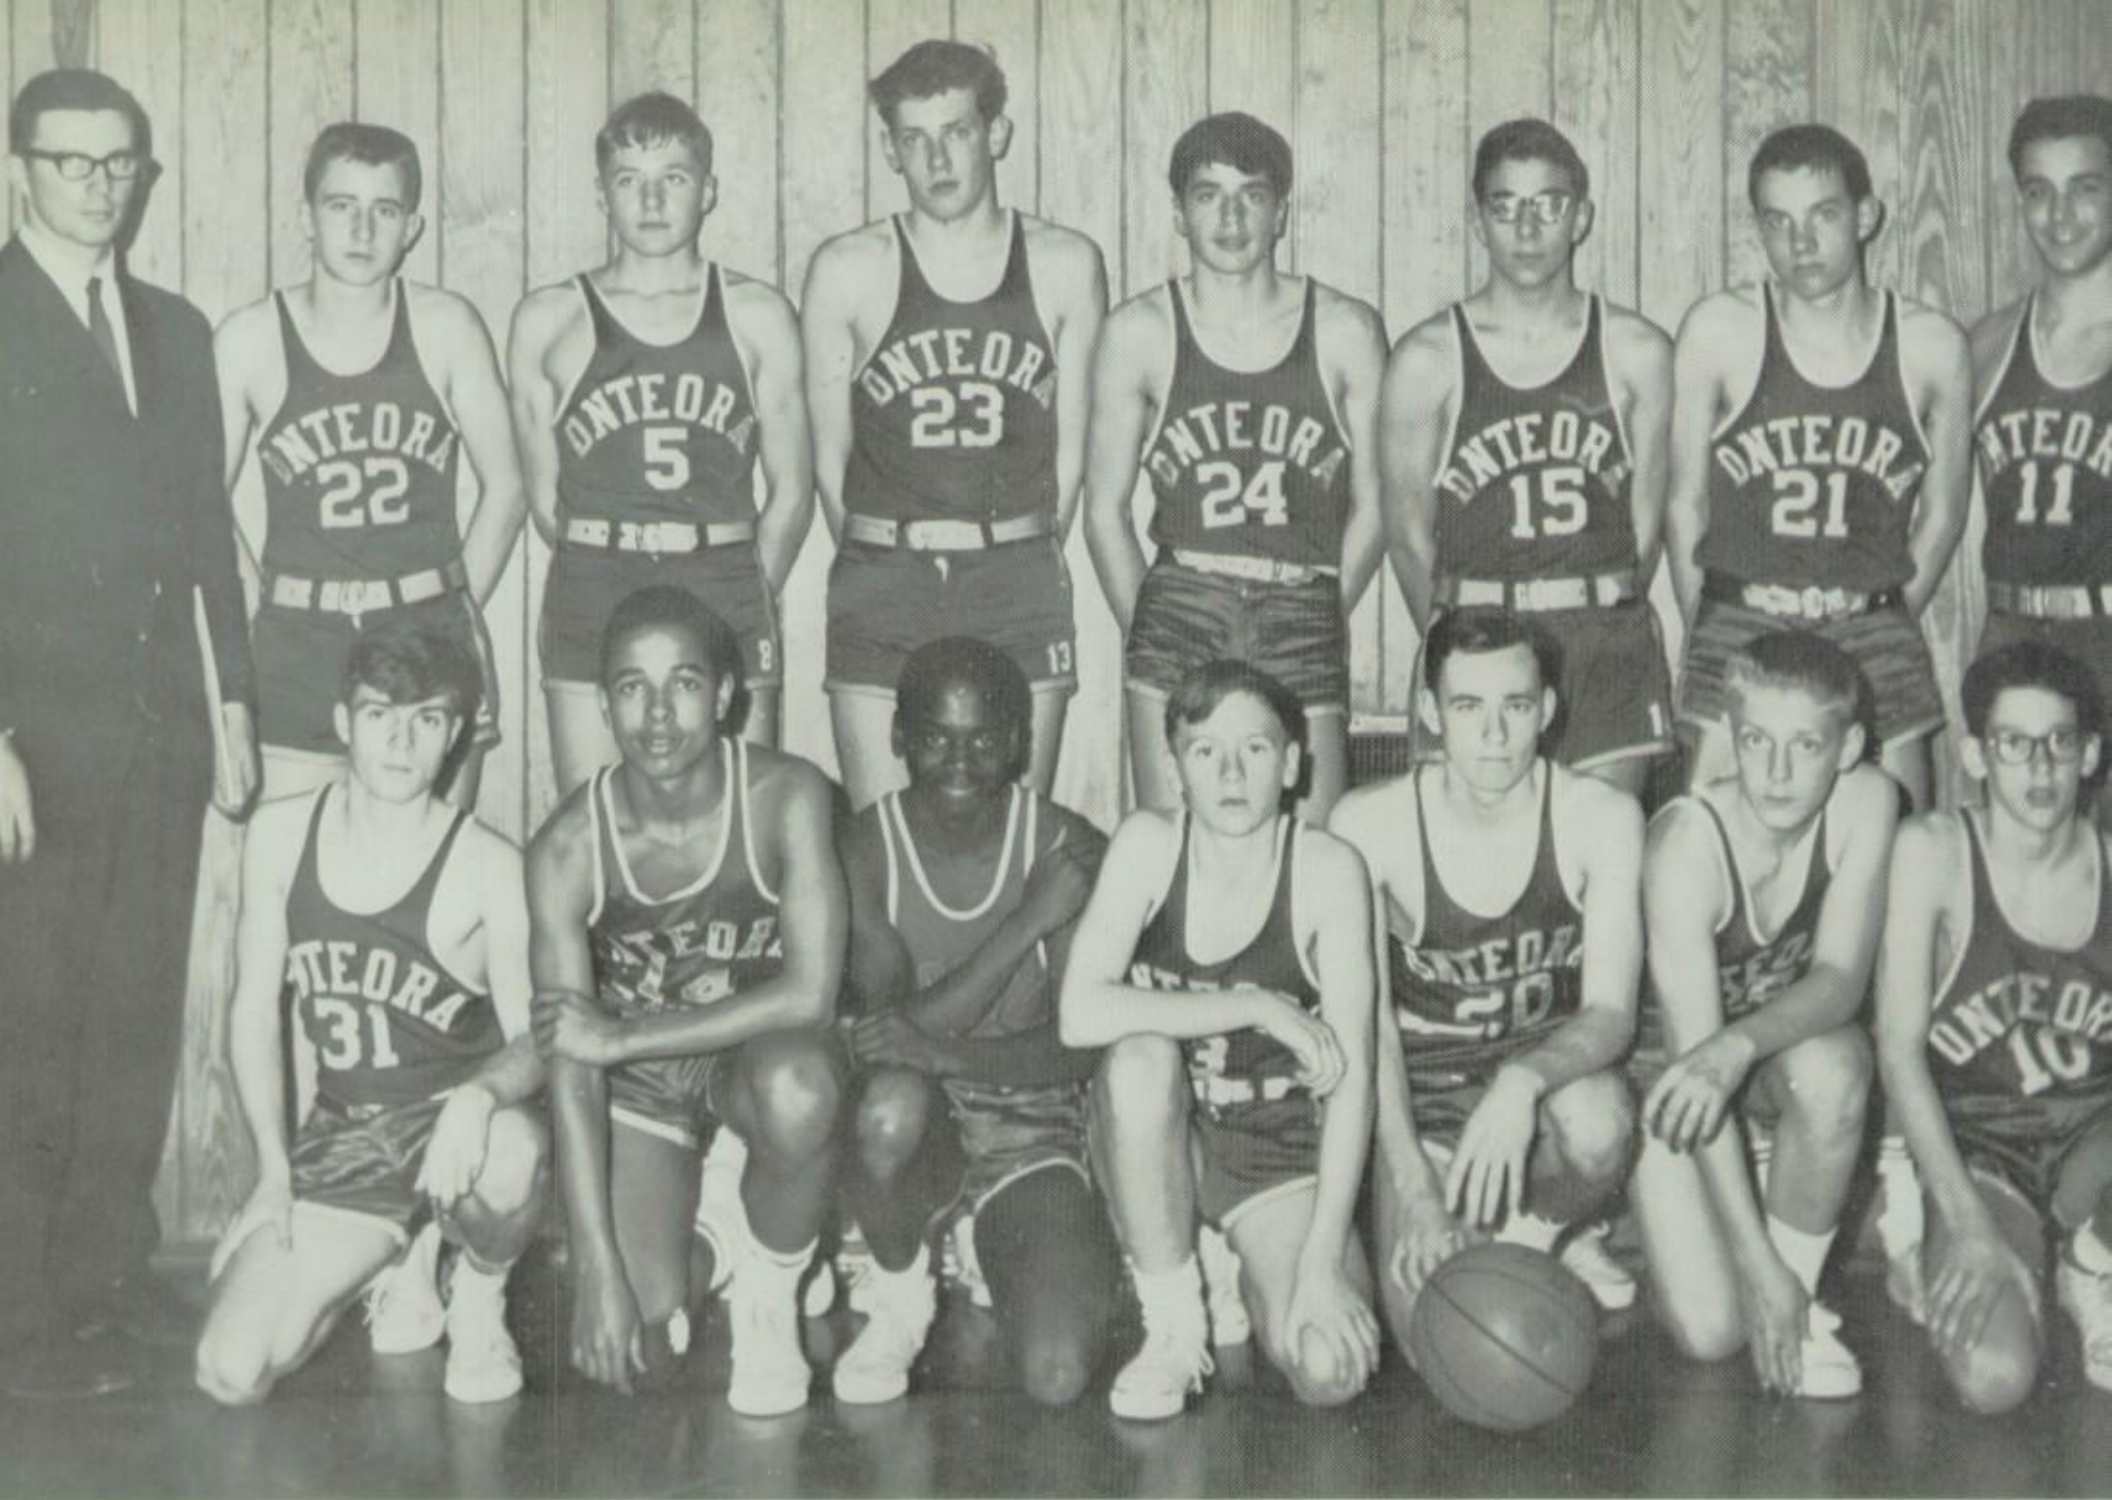

The J.V. Cheerleading squad, under the direction of Miss Okoren, entered no U.C.A.L. contest as did the Varsity squad. They did go along as enthusiastic spectators, however. Perhaps next year they may have a contest of their own, and if such is the case, they will undoubtedly do well.

Many of the girls will be moving up to fill spots on the Varsity squad vacated by outgoing Seniors. The loss of the J.V. squad will be the Varsity's gain.

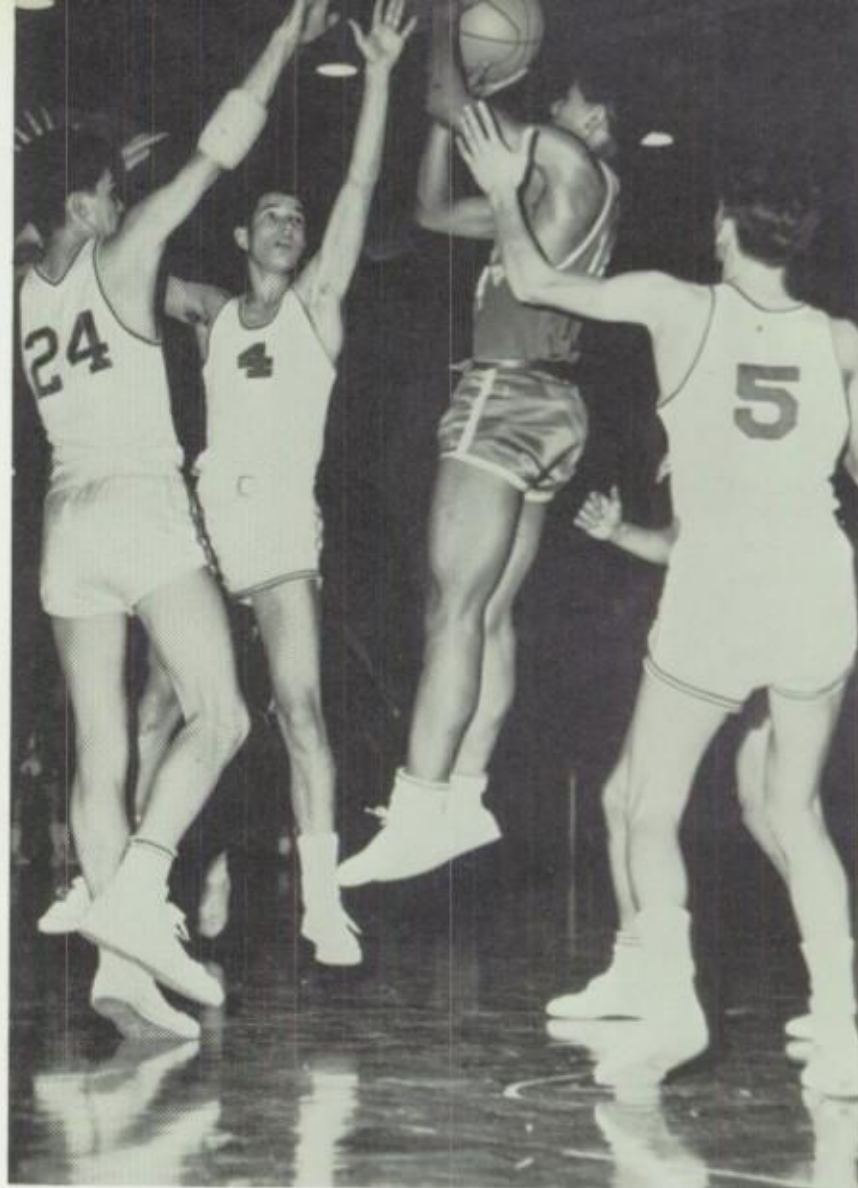

BACK ROW, L to R: Coach Becker, Wayne Rice, Jon Hoyt, Bill Moxham, Tom Byer, Lou Ganci, Dave Rose and Alan Gordon. FRONT ROW, L to R: Ted Weber, Bernie Daughtrey, Fred Middleton, Art Kelder, John Howland, Charlie Frasier and Mickey Bush.

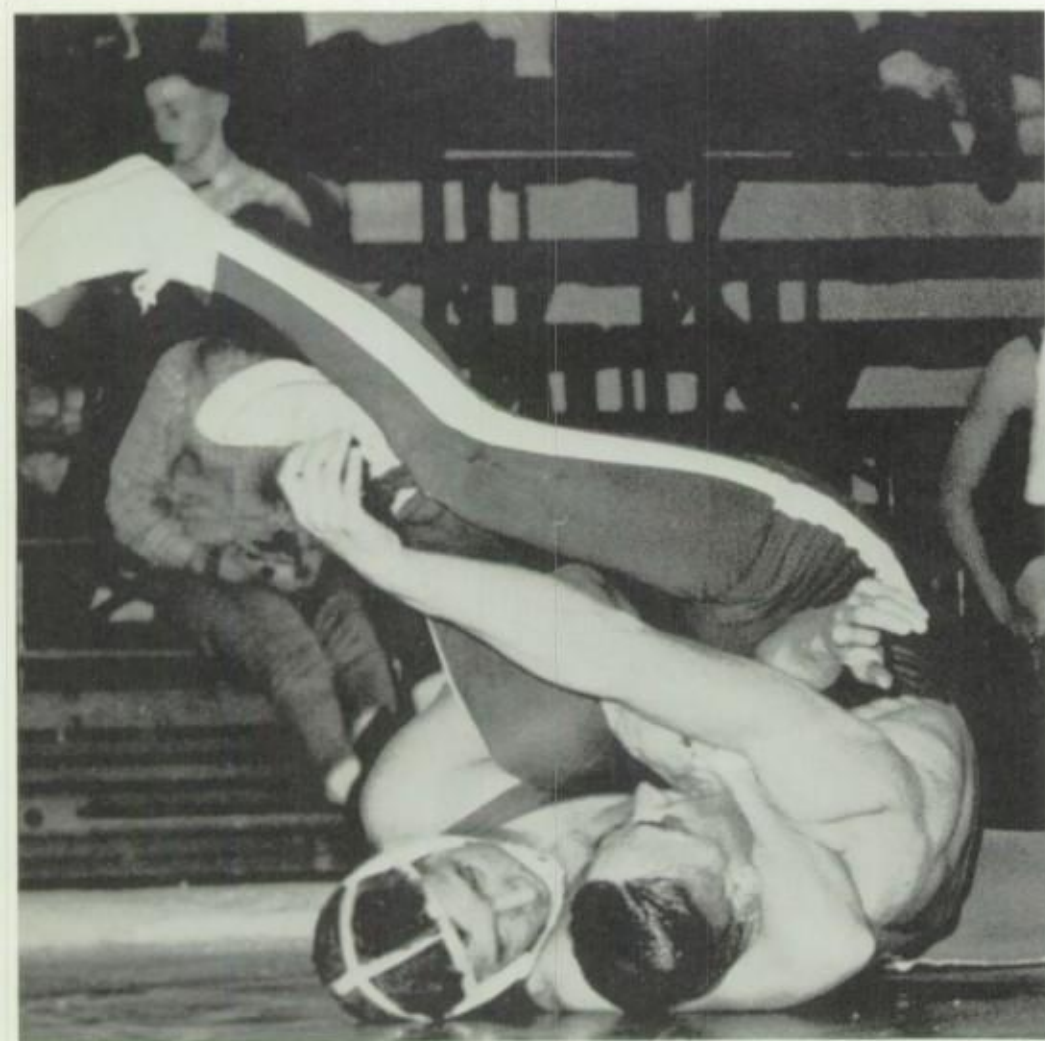

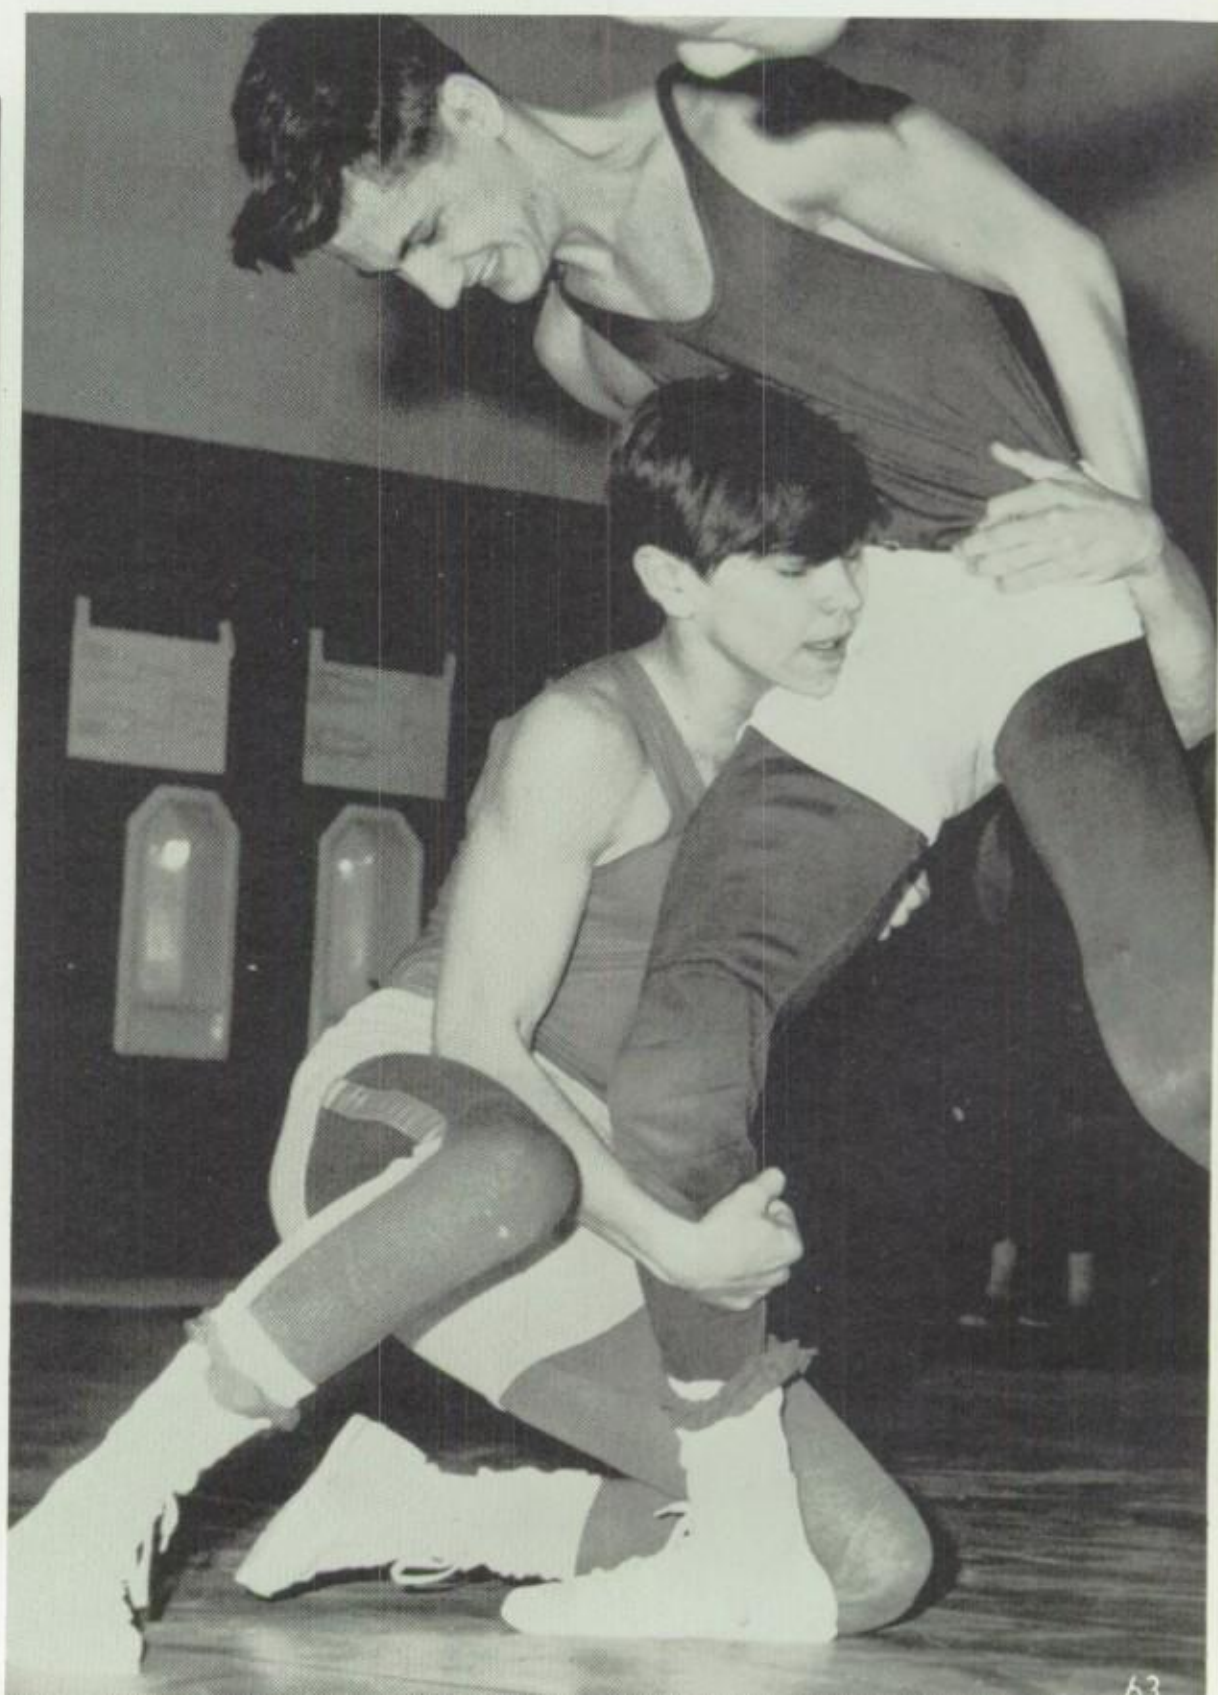

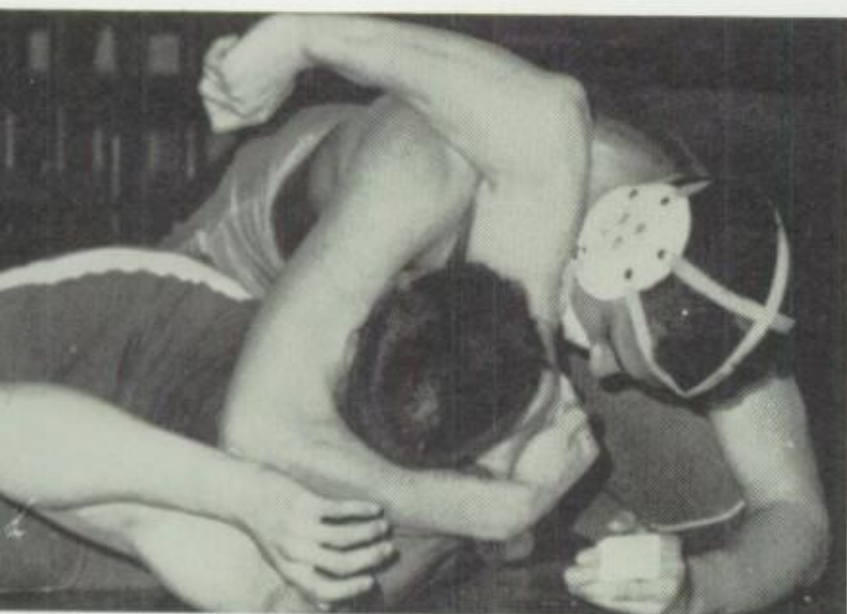

Mr. Becker's J.V. team ended their season possessing a record of eleven wins and seven losses altogether. In league play their record was eight wins and four losses. Translated, these statistics mean that the team tied for second place with Marlboro.

The boys managed to blend their individual talents to produce teamwork coupled with a constant attitude of good sportsmanship. They had to work hard for their victories, therefore when victory came it held more satisfaction.

Each boy is known for a special shot, a special characteristic which he contributed to the team. Dave Rose and Bernie Daughtrey were noted for their driving ability. Charlie Moore was the team's "quarterback." Artie Kelder was the "Ball Hawk" and John Howland the "Eagle-Eye." Alan Gordon was known as "Jack of all Trades." Jon Hoyt will be remembered for his strong rebounding, Lou Ganci for his defensive hustle, and Wayne Rice for his turn-around jump shot. Bill Moxham who was hampered by illness should prove useful next year as will up-coming Tommy Byer. With polish and future experience, all of these boys should prove themselves useful to the Varsity team.

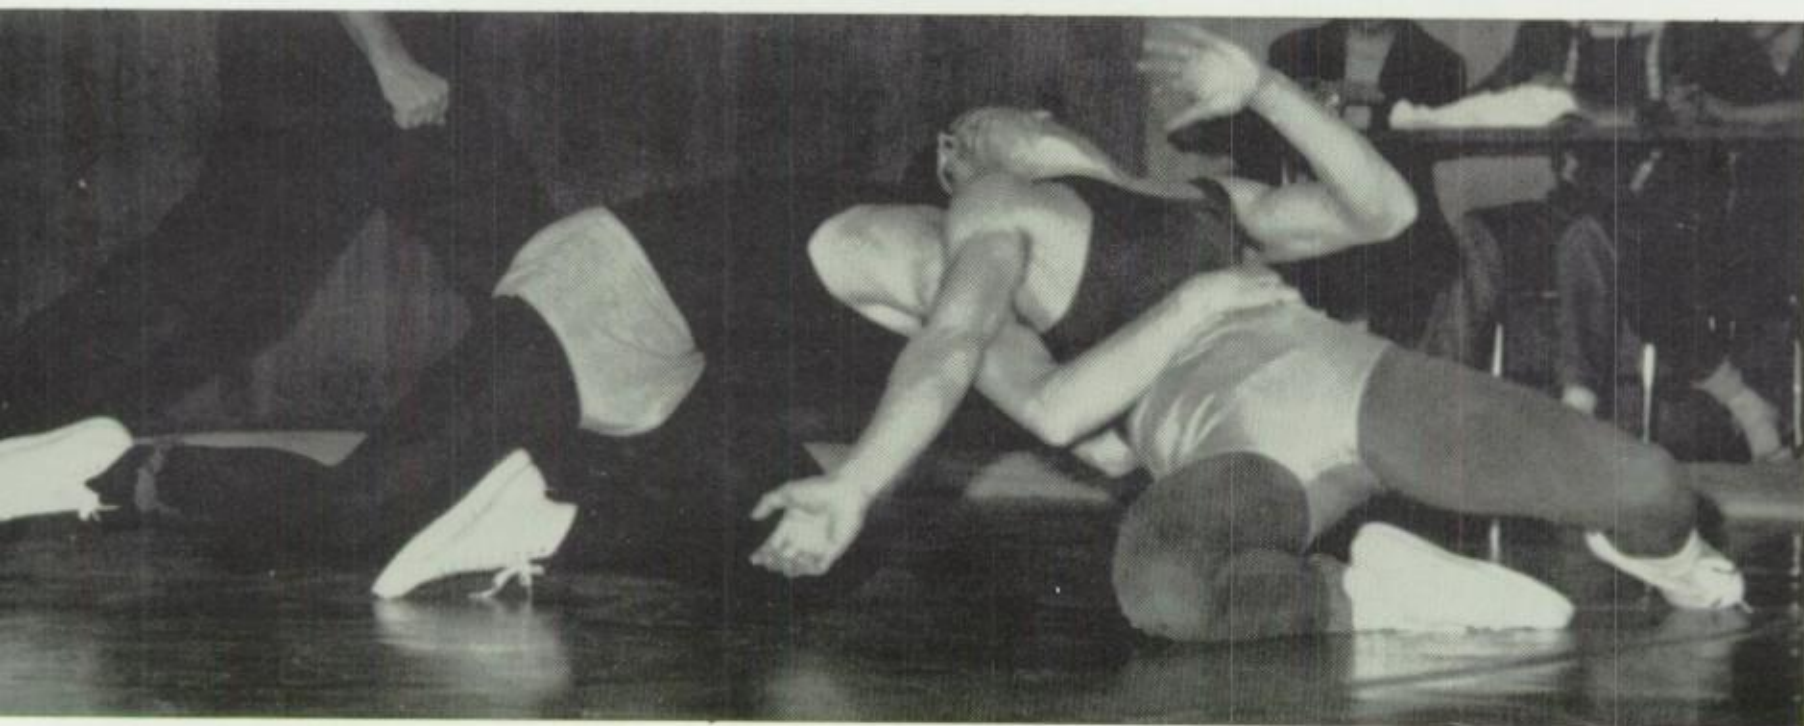

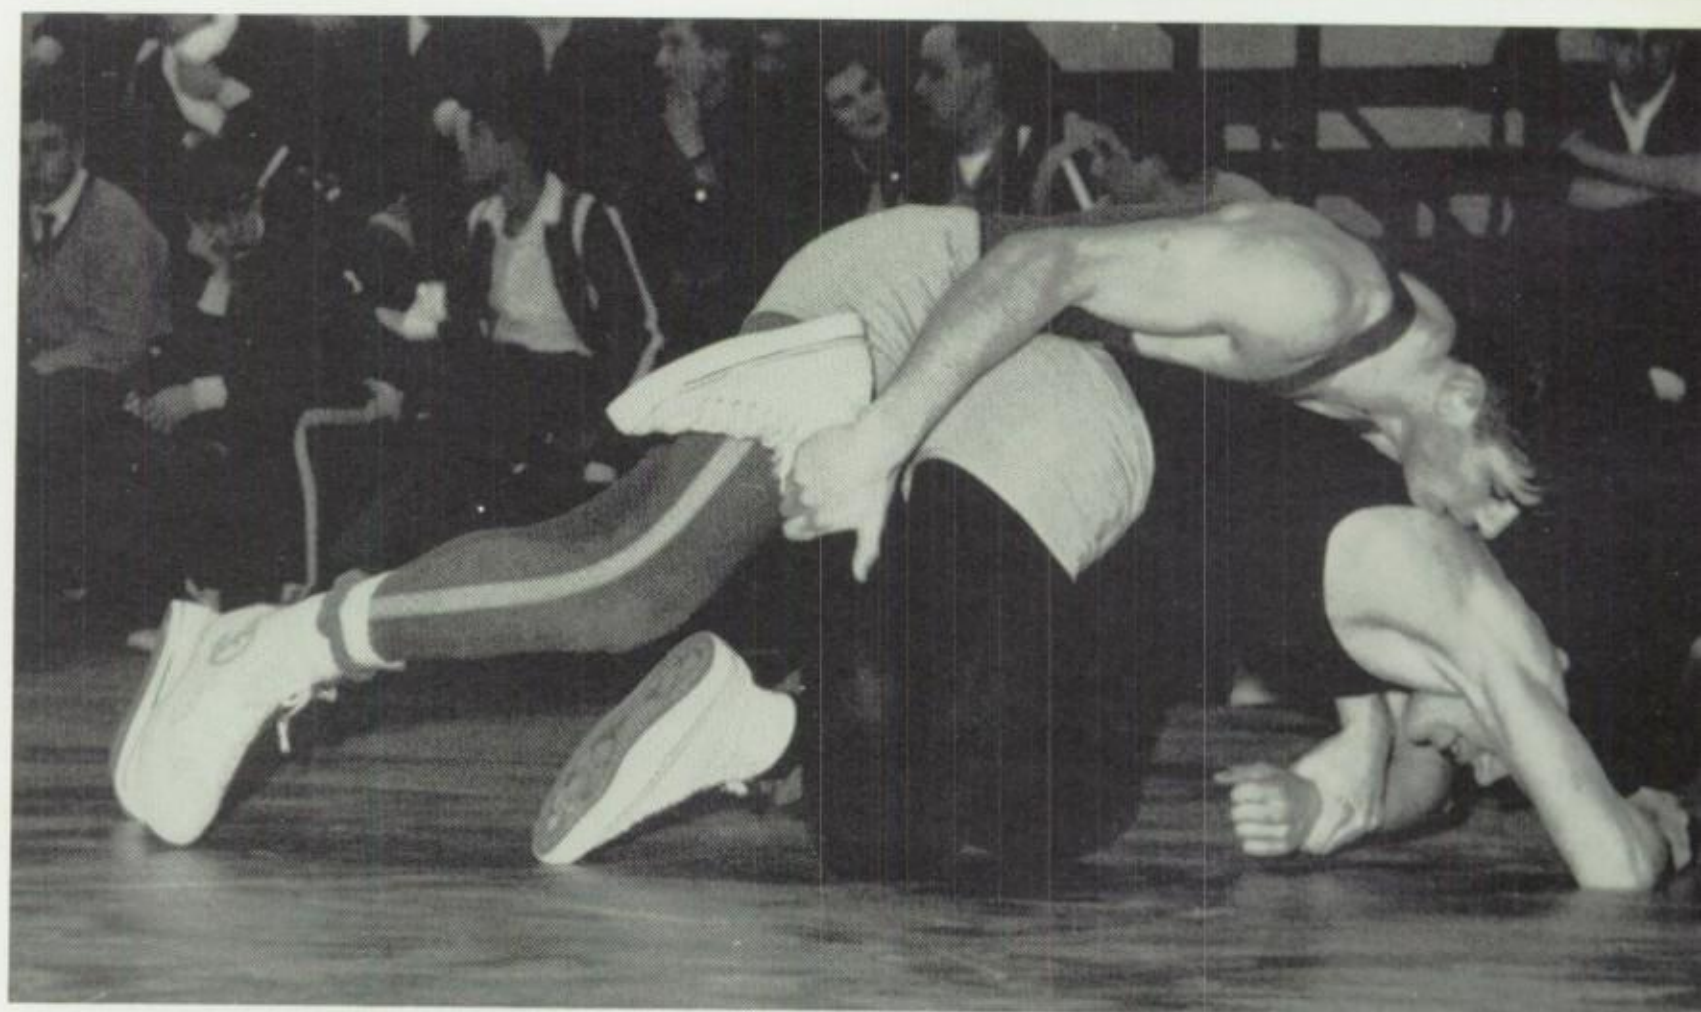

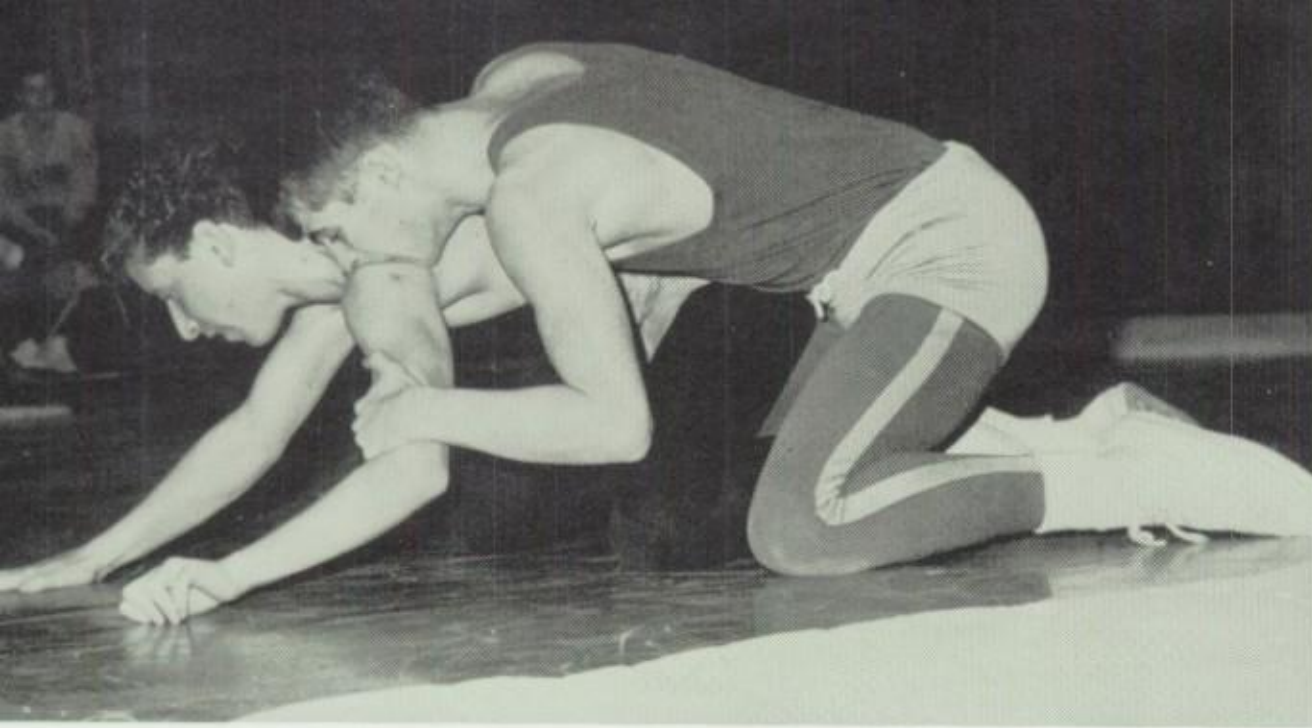

BACK ROW, L-R: Warren Kraus, Lindsay Hoyt, Mark Hoyt, Mike Olexa, Willie Thompson, Wes Kissel, Rick Doran, Dale Chauncey, Tom Farstadt. FRONT ROW, L-R: Gary Houseman, Hugh Spoljaric, Frank Raffaldi, Poncie Rose, Terry Breitenstein, Gary Holgate, Jim Manuel, Mike Hereth, Mike Tulp.

Wrestling is a team sport, but it is also an individual sport. When you're out there on the mat, the team may be behind you, but you've got to pin your man alone. Working individually as a team, the boys took first place in the Section 9 Independent Tournament, and ended their season with a record of 7 wins, 2 losses and a tie. Adding humor to the season were such comments as "The ceiling lights get in my eyes", and "Dieting at my weight?" In spite of these handicaps, however, the team had a highly successful season.

The girl's varsity basketball team climaxed an undefeated season by capturing the UCAL title. Their season included wins over Rondout (15-11, 17-9), Saugerties (35-2) and Pine Bush (28-6). At the Sportsday on February 9, the girls compiled a 3-0 record defeating Highland, Rondout and Pine Bush. Consistent high scorers for the team were Lisa Rutherford, Sue Bush and Charlotte Herdman. Other members of the team were Gert Spoljaric, Gail Green, Ann Prochaska, Joan Viskocil and Pat Sullivan.

The Junior Varsity team had a successful season with a 3-1 record. They defeated Rondout twice and Saugerties once and lost a game to Pine Bush. High scorers were Laura Leavy, Mary Lou Miles and Sue Rubin.

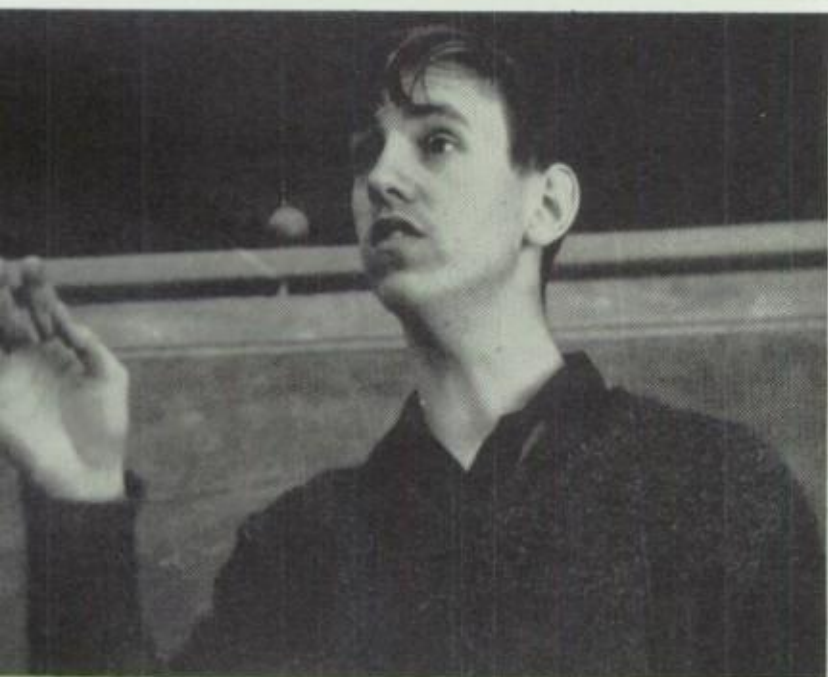

Sometime around Christmas, Mr. Wesselman began to organize the Oral Interpretation Group. Working with facial expression, voice inflection and other fundamentals of interpretive speaking, the group was soon ready to appear in public.

On Monday, March 8, at 8:00 p.m. the group performed for a select group invited by Mr. Wesselman. Sue Cole began the program with the short story "A Cup of Tea." She was followed by Arthur Haver with "Unicorn in the Garden" and Elizabeth Steele doing three poems by Edna St. Vincent Millay. After a brief intermission, Mitch Rapoport began the second part of the program with "Dulce Et Decorum Est Pro Patria Morre." Karen Stern followed Mitch with "The Little Match Girl," and Tina Kleine concluded the program with "Playthings of the Winds," and "The Past is a Bucket of Ashes."

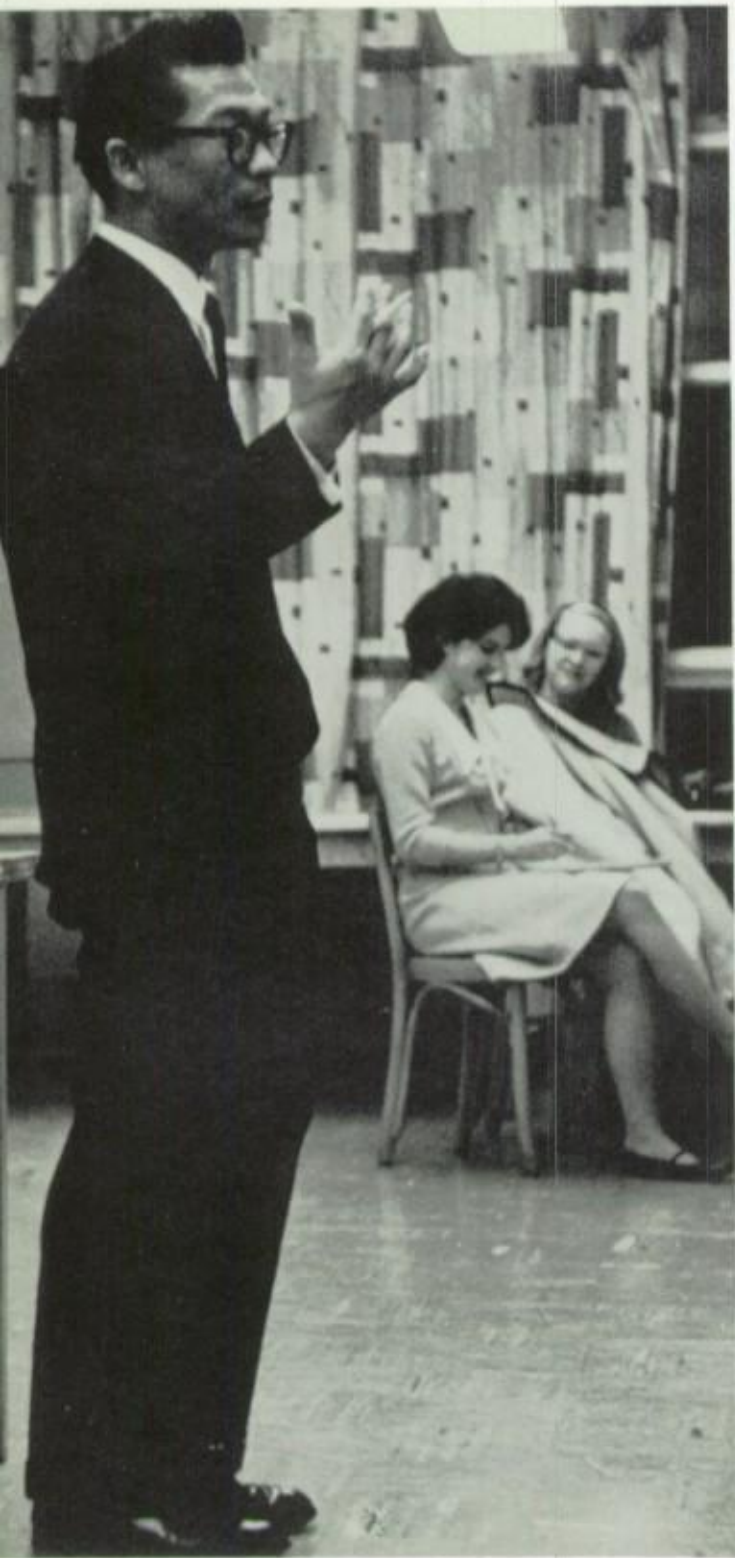

The program was a great success and was later presented to the student body. Culture goes on at O.C.S. through the efforts of Mr. Wesselman and his group.

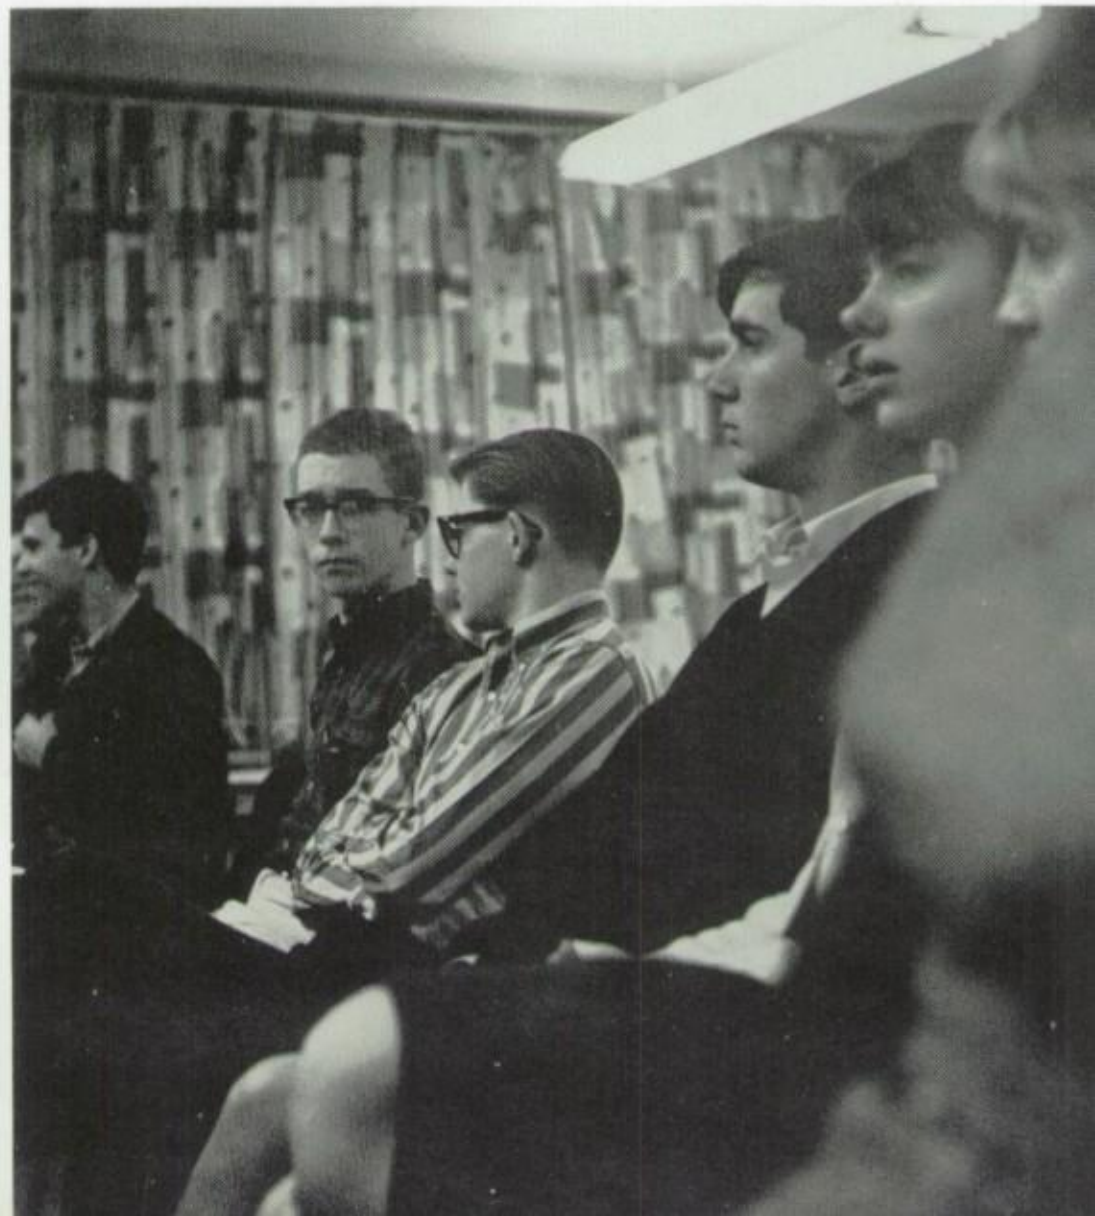

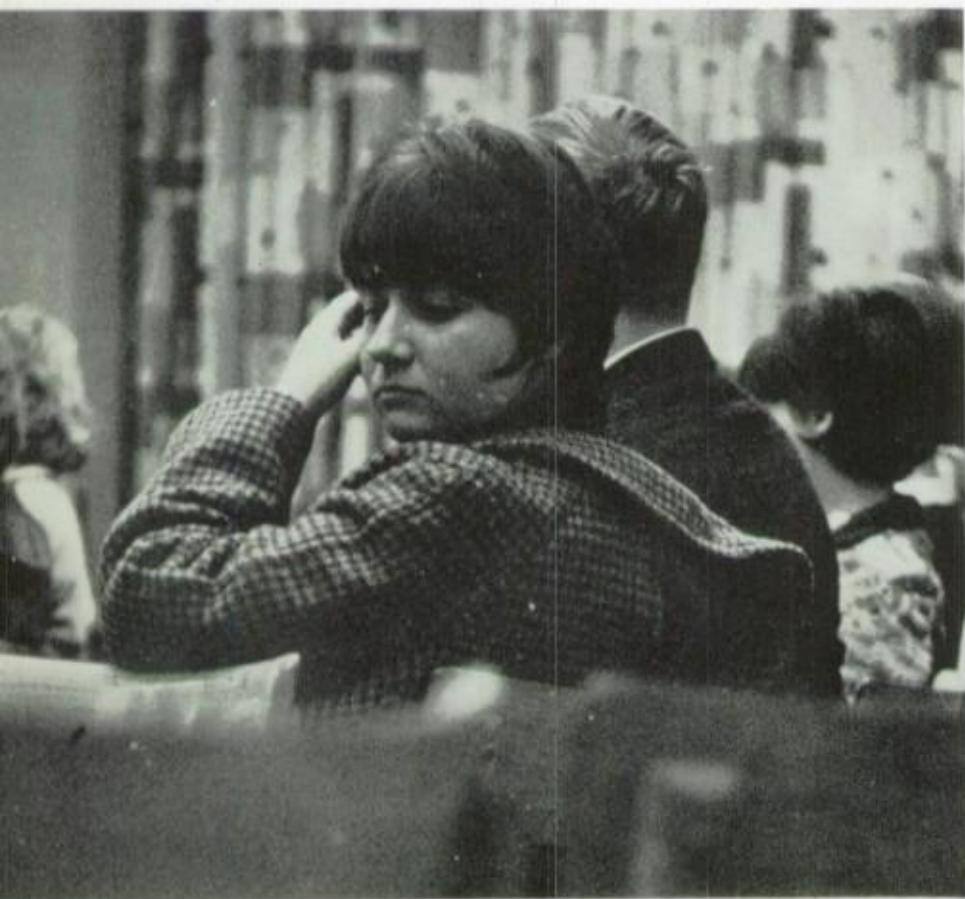

Music . . . echoing throughout the auditorium . . . pouring forth into the halls . . . enveloping students with its charm . . . here and gone and here again . . . music.

Twenty students from O.C.S. took part in the Senior Seminar program at New Paltz State Teachers' College. Seminar topics included such things as the problem of population explosion, Oceanography and the intricacies of the electron microscope. The Seminar on Comparative Religion provided an especially stimulating evening of discussion when students split into groups of five and presented opinions and arguments. The interest rampant at Seminar often causes students to neglect to take the break offered to them, and to ask questions which extend the discussions.

Each year, in late spring, the members of Student Council choose the next year's Marshal Squad from the present Junior Class. The students selected are chosen for responsibility and leadership. Under the direction of Mr. Brown, Marshals tackle the serious problem of student traffic often being forced to tackle the students themselves.

The Tom-Tom is the official school paper. Published eight times a year, it is open to interested students in grades 9-12. Advised by Mr. Steigerwald, edited by Joyce Wadler, and generally thrown together by the rest of its unco-ordinated but well-meaning staff, it is distributed without charge to the entire high school.

J.W.

Advisor: Mr. Steigerwald

Free Lance Writers: Hugh Spoljaric, Barry Hopkins, Mr. Stahl, Sue Bachman, Helen Stern, Josh King, Andy Kleeger, Mary Smith, Carolyn Rose, Karen Kleeger, Christine Dean.

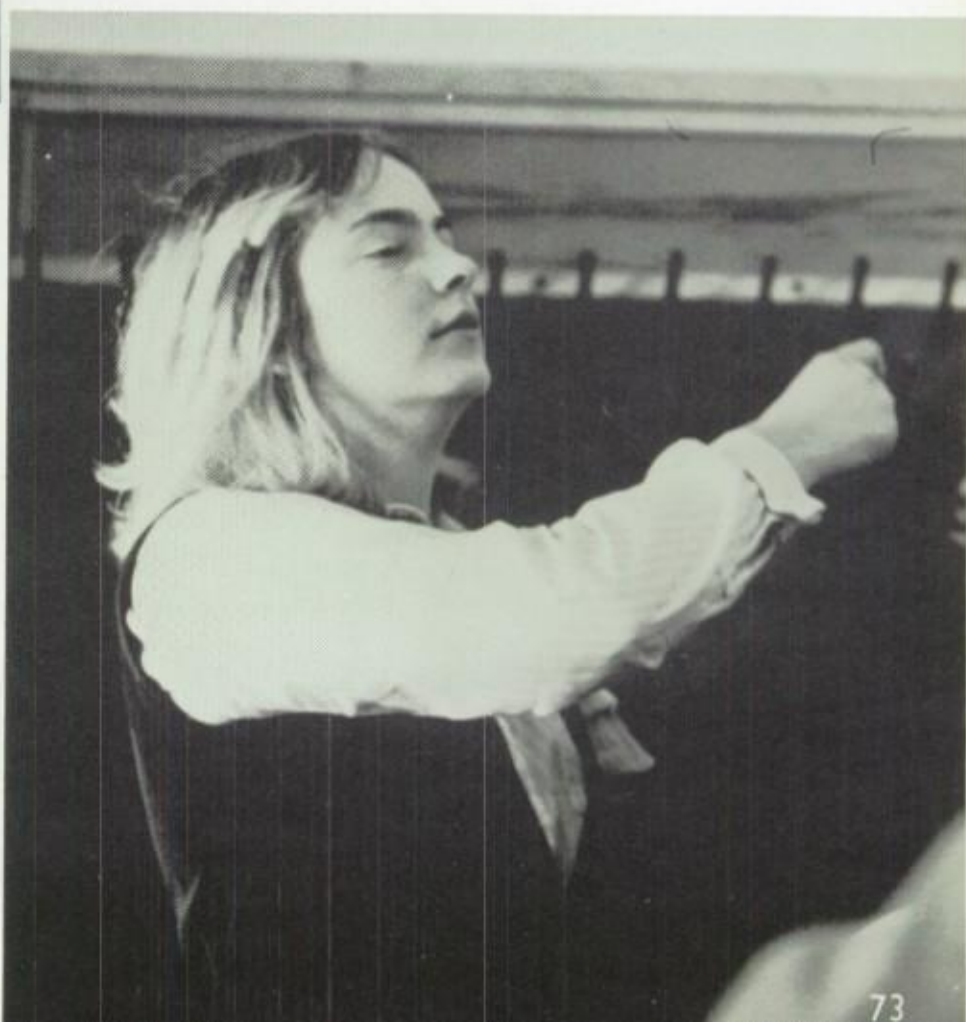

Elizabeth Margaret Steele, our foreign student this year, came to O.C.S. from Grays, an industrial town outside of London, England. Warned by friends not to come back with a "Yankee Accent" Liz has retained her stiff upper lip while adopting slang phrases common to the U.S.

Although she still clings to her custom of observing tea time, Liz has adapted in other ways to life here. She no longer fights the temptation to rise when a teacher enters the room, and she's become quite used to the co-educational system and male teachers.

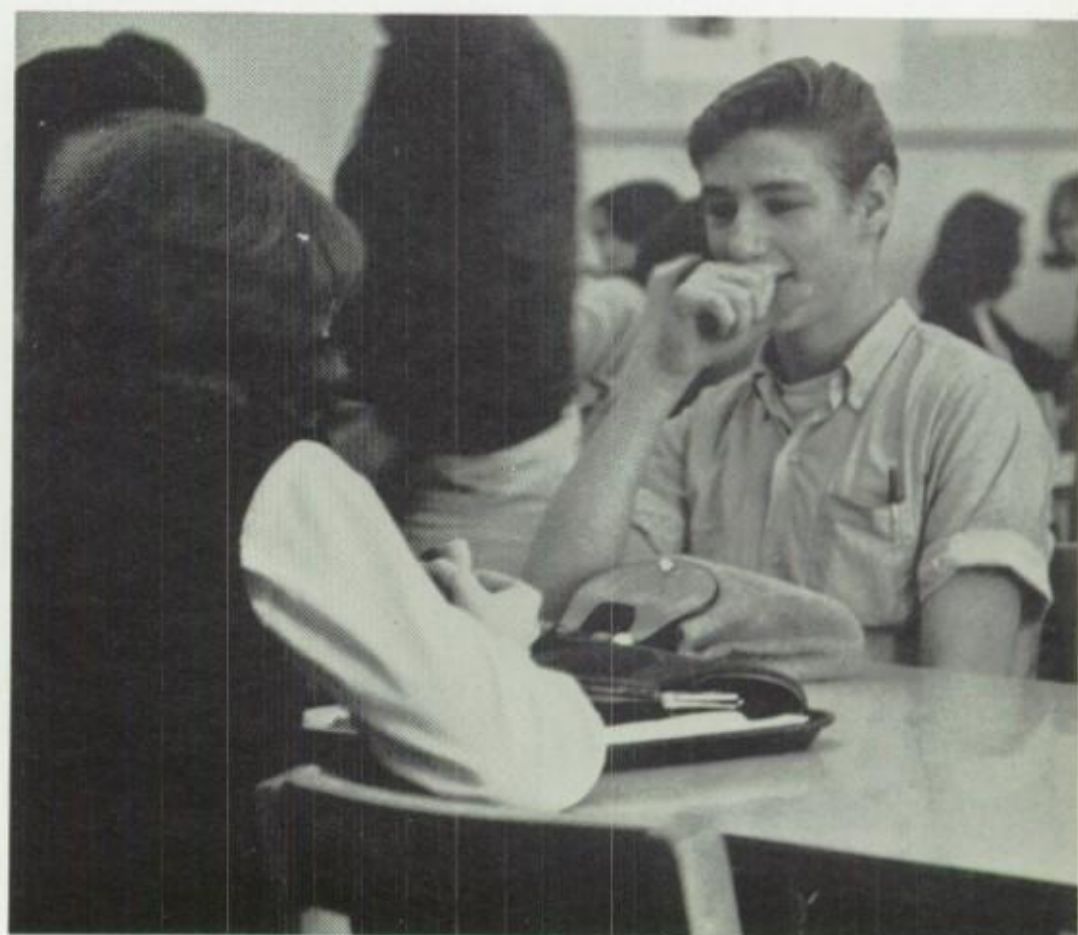

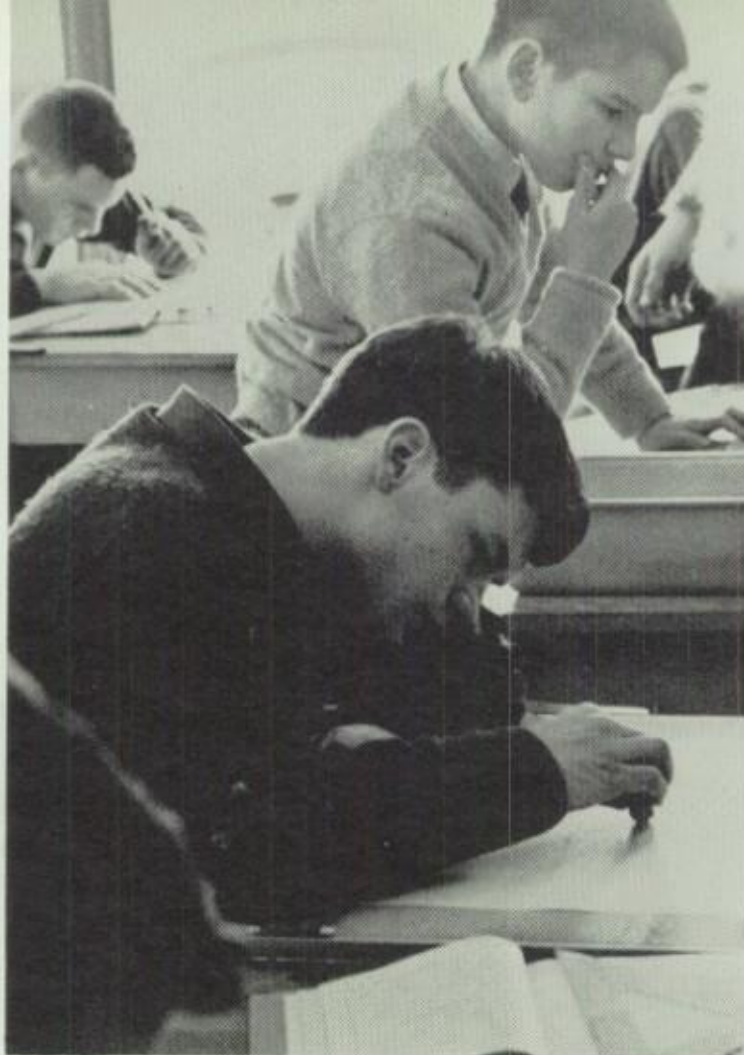

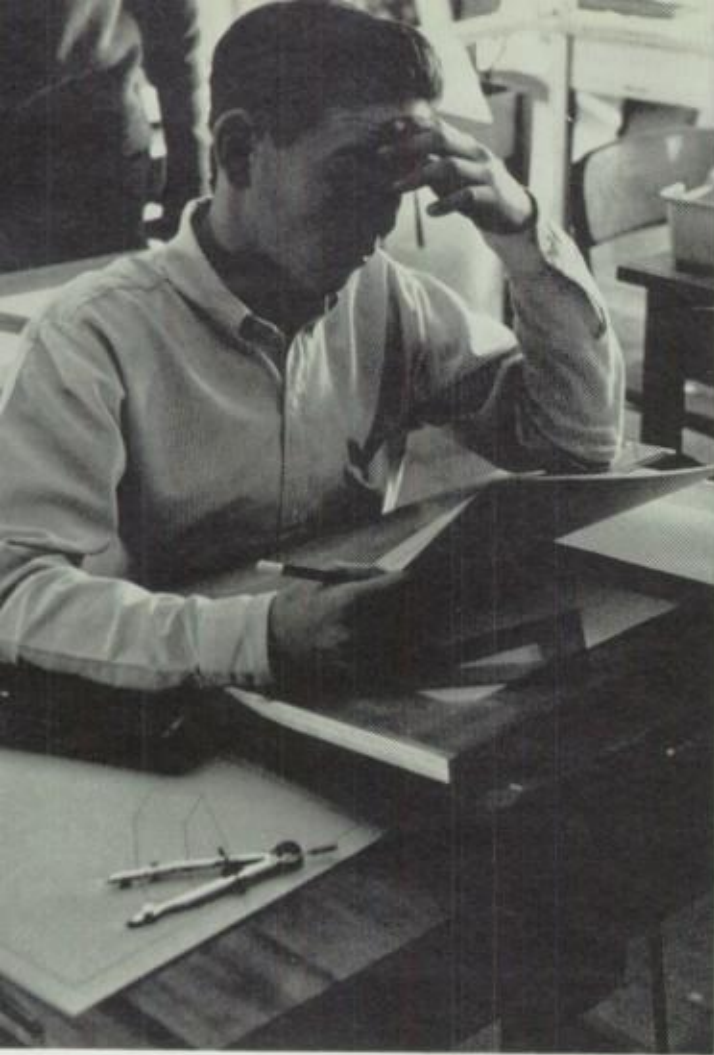

Perhaps she won't go home with a "Yankee Accent" to remind her of her stay here, but she will take many memories and souvenirs across the Atlantic with her when she leaves here in June.

When you become a senior, you begin to collect memories to take with you when you leave. Chances are that you're going to want to remember the good times—to remember the things you enjoyed—rather than to remember detention or dull classes. After awhile, the images in your mind will blur and blend until you see them as a movie out of focus. You'll see homemaking club and basketball games, lunch periods and assemblies, gym classes and dances, biology labs and study halls. And all these memories will become your ideas of O.C.S., and the time you spent here will be synonymous with the movie in your mind.

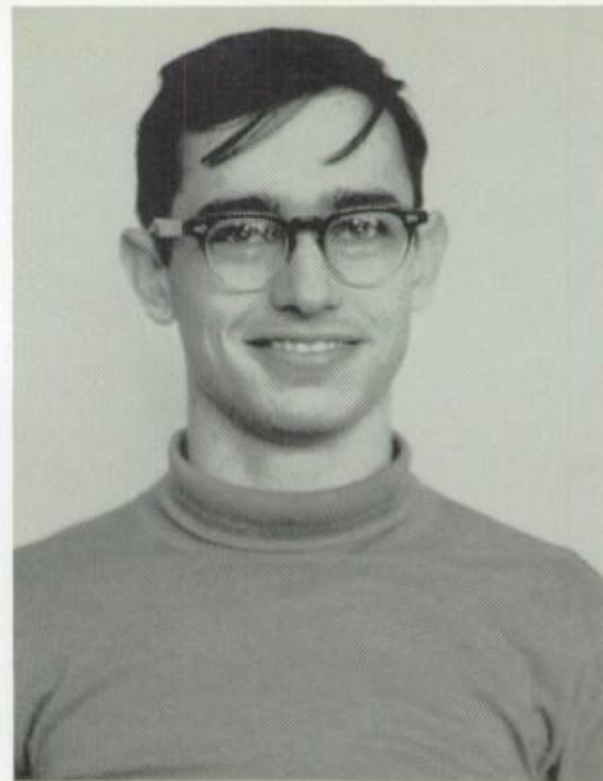

1870-1871

SENIORS

Last October, at the Honor Society Assembly, Hugh Spoljaric was chosen Senior of the year. Hugh has always been a first string worker in the class of '65. During his Junior year he served as class president leading the class to a near victory in student day competition. Hugh is truly worthy of his award.

This year Onteora placed third in attaining the highest amount of Regents Scholarships awarded in Ulster County. Nine seniors received scholarships and eight seniors were alternates.

Winners of Scholarships were Roger Black, John Carey, John Chalmers, Sandra DuBois, Michelle Gibson, Bruce Gillmor, Nancy Peterson, Carolyn Rose, and Joyce Wadler. Alternates are Barbara Baston, Suzanne Blatter, Carol Greenberg, Lindsay Hoyt, Hugh John, Mary Lurie, Jacqueline Majoros, and Ronald Van Wagner. These students brought honor both to their school and to themselves, and should be congratulated.

Gabrielle Schmitt heads the class of 1965 with an average of 92.3.

Gabrielle came to this country in 1960 and entered the seventh grade at O.C.S. With patient hard work, she eliminated a year of high school, skipping her Junior year. During this time she won two academic letters and awards in both typing and shorthand.

Best known perhaps for her silence and depth, Gabrielle is most interested in dancing, singing and reading. She attends dancing classes, and belongs to the O.C.S. Chorus and Jazz Appreciation Club.

For her scholastic efforts, Gabrielle truly deserves the title of Valedictorian.

Mary Elizabeth Lurie has achieved an average of 91.1.

The title of Salutatorian is only one of the many honors Mary has received throughout her high school career. She won scholastic awards in both grades ten and eleven. In her Junior year she was elected to the National Honor Society and received an award for outstanding accomplishment in German. In her Senior year she was invited to participate in Senior Seminar.

Her extracurricular activities have included four years of band, Current Events Club, Music and Jazz Appreciation Clubs, and Student Council. When not in school Mary spends much time outdoors—she skis, swims, is an avid mountain climber and an accomplished horsewoman. Two more favorite pastimes are reading and writing. Mary's most recent project is learning to play the guitar, perhaps an outgrowth of her long interest and love of music and self-expression.

We hounded the photographers, cornered our writers, hunted down class wills and senior pictures and then . . . secluded to the back of the art room with resulting bits and pieces. After scanning, arranging and rearranging everything, we are proud to have produced what we hope is the best yearbook *Onteora* has ever enjoyed. The "65" *Tomahawk*.

PROGRESS

There is no final stage in education; it is an unending search for knowledge and the continuing development of wisdom. Through them we can recognize and develop opportunities to the fullest extent. Together they are the formula for individual and world progress.

"What do you mean, 'where does the shortstop play?'"

"Double, bubble toil and trouble . . ."

"You look familiar, where have I seen you before?"

"No college in its right mind would take this kid."

"Speak up . . . who's going to do what???"

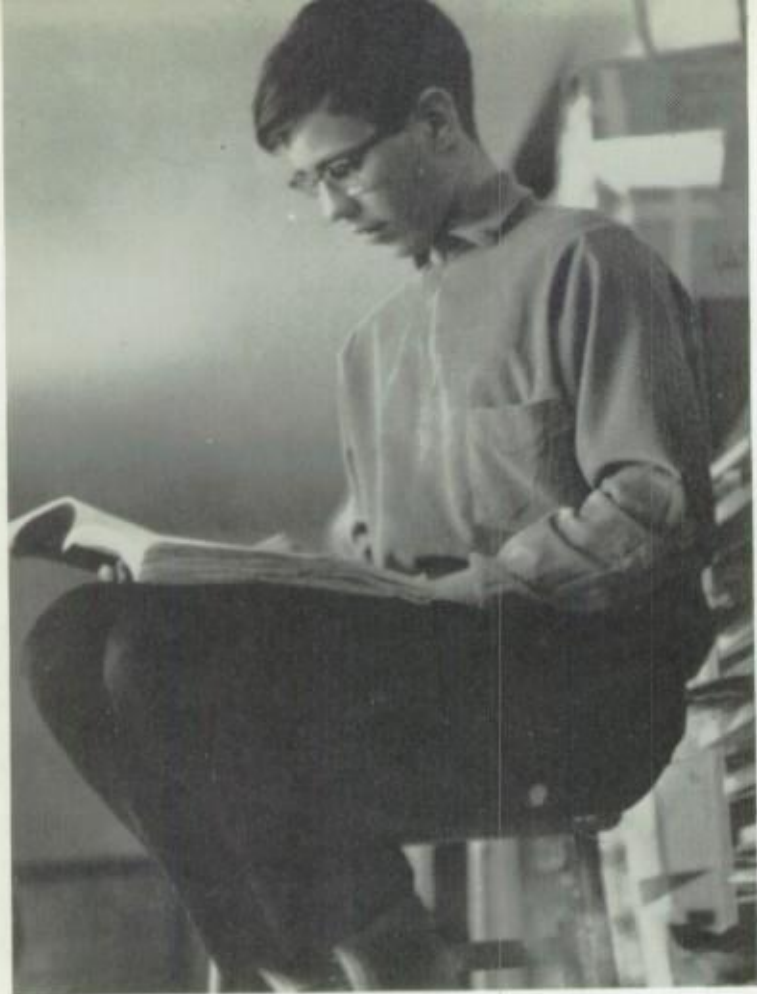

"If Mr. Simon finds out that you're only pretending to play, there's going to be trouble."

"No, Mr. Jennings, you do it this way . . ."

"Now to cut out quick before the explosion. Hoo hah hah . . ."

"... and Snow White said to the dwarfs ..."

"Happy birthday to you ..."

"Darn, I never did learn how to make change."
